## Award winning homes & places

Since 2015, Hayfield has set the benchmark for creating beautiful, award-winning homes in some of the UK's most desirable locations. We take pride in doing things differently, creating homes and new neighbourhoods that we would love to live in ourselves.

We are united by our passion and commitment in creating truly exceptional homes of character and endurance, that leave a lasting legacy and lessen the impact on the environment.

EXCELLENCE AS STANDARD

# An inspiring place to call home

A Hayfield home is anything but ordinary. We use different suppliers, different materials, and different fittings to create a home that looks and feels original and is full of personality. It's what we call the Hayfield Difference.

Hayfield Manor has been designed to blend seamlessly with its surroundings and offer a range of brand-new homes with an unrivalled specification and the gold standard of energy efficiency.

The curation of 40 two, three, four and five-bedroom homes will take pride of place in the charming Oxfordshire village of Adderbury, and each detached and semi-detached home will be EPC A-rated and boast our signature specification, as standard.

EXCELLENCE AS STANDARD

## Distinctive & natural

All of our homes at Hayfield Manor are unique because every element has been considered, revised and perfected to create a home that you will want to live in for years to come, one that realises your hopes and aspirations and leaves a lasting legacy for generations to come.

ECO  
REDEFINED

H

We're committed to thinking differently when creating our new homes.

Applying an innovative and responsible approach to minimise our impact on the environment, for the benefit of our customers and the planet.

ECO REDEFINED

# Committed to sustainable living

Our A-rated Zero Carbon Ready Homes have been thoughtfully designed to include initiatives that leave a lasting legacy for future generations, while delivering sustainable communities and places that enhance your wellbeing.

Our homes are powered and heated by electricity only. We do not use fossil fuels. This, combined with other low carbon technologies we install as standard, and the high thermal efficiency of our homes, means a Hayfield home has the potential to not add any carbon dioxide to the atmosphere during its use by a homeowner.

### ECO REDEFINED

# Not all homes are created equal

Our homes are more than just bricks and mortar. Every detail has been carefully considered to create homes that achieve the gold standard of efficiency, meaning residents can save on energy costs and live a more sustainable lifestyle whilst not compromising on luxury.

### THE HAYFIELD DIFFERENCE

An EPC A-rated Hayfield home is 65% cheaper to run than an existing home.

### CARBON EMISSIONS

To have the best chance of avoiding a 2°C rise in global temperatures, the average global carbon footprint per year needs to drop to under 2 tonnes by 2050. We introduced our Zero Carbon Ready specification in 2021 – four years in advance of the 2025 Future Homes Standard legislation.

The average A-rated Hayfield home emits 0.38 tonnes of carbon per year, which is 3.94 tonnes less than an existing home. That's the same amount of carbon emissions produced by a return flight from Manchester to Honolulu, Hawaii or driving around the world three times!

Source - data from the Home Builders Federation (HBF) "Watt a Save" report.  
Our homes only have a carbon emissions score due to the supply from the National Grid, which is not decarbonised.

# Local Area

LOCAL AREA

# Embrace local life

Hayfield Manor, Adderbury is surrounded by beautiful countryside, and there are many footpaths and bridleways close by for walking and cycling. The nearby Adderbury Lakes Nature Reserve is a peaceful location for birdwatching and a leisurely stroll.

Occupying a scenic position on one of the most prestigious roads in the village, residents of Hayfield Manor benefit from a number of pubs, a village shop, a coffee house and a stunning nature reserve. There's also a monthly farmers' market with a range of locally sourced produce.

LOCAL AREA

## Explore the area

The town of Banbury is a short drive away and is the main town serving North Oxfordshire. The town, famous for the historic Banbury Cross monument, hosts an array of shops, restaurants, coffee shops, bars and supermarkets.

Just over 20 miles south of Hayfield Manor is the city of Oxford – the city of dreaming spires – home to the world-famous Oxford University. Surround yourself with stunning architecture and history in the Ashmolean Museum, Bodleian Library, and then relax on the rooftop terrace of the Westgate shopping centre for lunch or a drink, where you'll be spoilt for choice.
