

Chapel Apartments, Lower Green Lane, Astley M29 7JE

*Offers in the Region Of
£259,500*

This stunning mews property is part of the exclusive redevelopment of the former Astley Methodist Church, thoughtfully transformed into six luxury apartments and one mews. Rather than demolishing the historic building, it was carefully restored to preserve its heritage, creating a unique blend of character and modern living. Nestled in the heart of Astley Green, the property overlooks the picturesque village and offers idyllic views across open countryside. Residents can enjoy scenic canal-side walks along the world-famous Bridgewater Canal or unwind with a relaxed drink at the charming Old Boat House, conveniently located nearby. Internally, the home is designed for modern comfort and functionality. The upper level features a spacious lounge, a contemporary kitchen creating an elegant yet practical living space. The lower level comprises a welcoming hallway, two well-appointed bedrooms, with the master benefitting from an en-suite, and a utility cupboard, and a WC. The property is fitted with bespoke furniture/kitchen by Brownlow Furniture Cheshire. Externally, the property includes a private outdoor space, communal outdoor space, two private parking spaces and secure bike storage, ensuring convenience for residents. With its rich history, tranquil surroundings, and excellent location, this exceptional home offers a rare opportunity to experience luxury living within a beautifully restored landmark.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy rating and score

This property's energy rating is E. It has the potential to be E.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

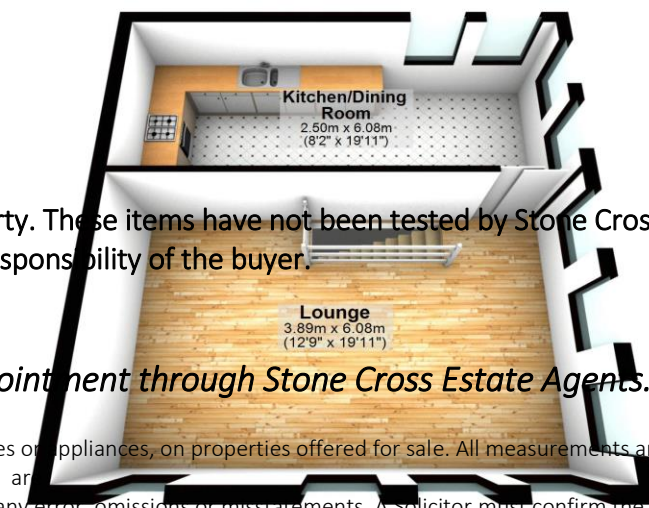

the average energy rating is D
the average energy score is 60
