45 MINUTES TO LONDON

Already well-connected by road, completion of the electrification of both the West Coast mainline railway and the GWR Line is due in 2019 which will significantly reduce journey times, increase capacity and create more reliable services to London and other regional cities.

GOOD CONNECTIONS TO HEATHROW & NEARBY CITIES

GREAT COMMUNICATIONS

3 Newbridge Square is conveniently situated near to the M4 motorway (Junctions 15 and 16) with good connections to Heathrow Airport and nearby cities including Bristol and Reading. Swindon railway station has a fast rail connection into London Paddington and is less than 3 minutes walk from the property.

3 Newbridge Square forms part of Kimmerfields, a new mixed-use urban quarter with up to 600,000 sq ft of new residential development, cafés, shops, restaurants alongside new and existing business space.

Improvements to Wellington Street, Newbridge Square at the heart of the Tri-Centre and the underpass beneath Fleming Way will further strengthen a fantastic first impression of Swindon.
