# 1 ACRE PLOT IN A PRIME LOCATION

Plot 6A occupies a highly visible position at the main entrance to Panattoni Park Aylesford.

The new link road through the park also provides a vital new through route for local traffic to two junctions of the M20. Consequentially, the plot is situated adjacent to the M20, providing direct visibility to a high volume of traffic passing the park.

Groundworks on the fully serviced plot are complete. Subject to planning, occupiers could be operational in as little as 12 months.
