“A delightful Grade II Listed detached property standing in attractive grounds offering idyllic countryside views, extensive off-road parking, double garage & workshop.”

Description

A delightful and characterful four bedroom, Grade II Listed detached property, standing predominately in an elevated position on the outskirts of Great Bricett, in a rural yet accessible location.

Believed to date from the 17th century, the property displays numerous period features but has also benefited from more recent blending of modern appliances and décor, courtesy of the current owners.

The main house, arranged over two floors and constructed predominately of a timber frame beneath a thatched roof, boasts generous grounds to complement it further and idyllic countryside views surround it.

Other notable features include ample off-road parking courtesy of the recently landscaped driveway, a double garage with adjoining workshop, established and well-maintained formal gardens as well as vegetable garden, fruit trees and decked area.

There is also a library, community centre, dentist and a good local primary school. Alder Carr Farm offers fresh farm food for sale and a restaurant. Also incorporated within the plot is a pretty but modest pond, greenhouse and covered decking area (on which stands a hot tub).
