Step outside the front door and you're immediately surrounded by nature, with the wide-open green space of Jersey Farm right on your doorstep.

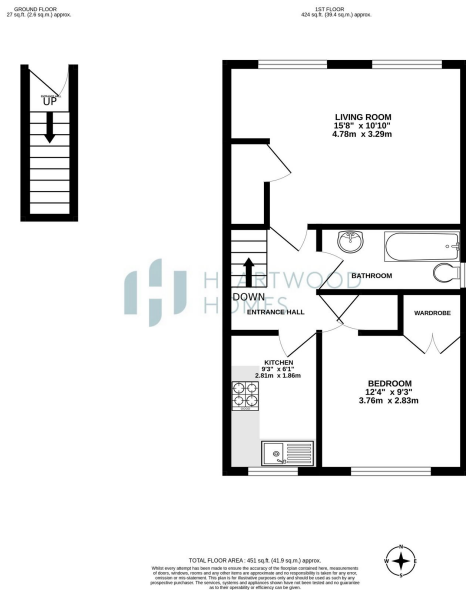

This chain-free home enjoys attractive views and, while it would benefit from some updating, it sits in the ever-popular Jersey Farm area. St Albans City Centre, with all its shops, cafés, and character, is also just a short drive away. The property also has the benefit of a very long lease,

Inside, you enter via a communal hallway (shared with just one other maisonette). Upstairs, a spacious landing leads to a bright spacious living room with plenty of space for a home office or dining area and lovely outlooks across the green, plus a large storage cupboard. To the rear is a fitted kitchen, while the property also offers a good-sized double bedroom with plenty of built-in storage, along with a well-proportioned bathroom.

Outside, Jersey Farm's open space is ideal for walks, picnics, or meeting with friends and family, and the property also benefits from a garage en bloc.
