BLOOMSBURY.

ARRIVING IN Q4 2023

WHAT MOVES YOU?

A SPACE FULL OF CHARACTER & LIGHT

Shropshire House is a beautifully designed, office refurbishment located on Capper Street, just off Tottenham Court Road.

This magnificent building brings to life the heritage of Art Deco craftsmanship through stunning architecture and large, light-filled interiors.

CHARACTER, FROM THE MOMENT YOU ARRIVE

The striking Art Deco inspired elegant, boutique entrance lobbies are crafted with bespoke marble flooring and green ceramic tiled lift-shafts, which set the standard found across the available floors of office accommodation.

2nd floor - CGI's are for illustrative purposes

LIGHT AROUND EVERY CORNER

The two refurbished floors pay homage to the building's character. With exposed ceilings, and the installation of new double-glazed crittall style windows on all facades, the building offers a bright, light office environment.

2nd floor -CGI's are for illustrative purposes. Staircase shown would be part of a tenant's fit out.

A SPACE TO FLOURISH

Spread over the 2nd and 3rd floors, the spacious floorplates have generous c.3m floor-to-ceiling heights.

With the opportunity to occupy a single floor of c.12,300 sq ft, or both floors at a total of 25,045 sq ft, the building can be configured to suit the specific needs of occupiers, including the potential to create interconnecting floors.

BUILDING SPECIFICATION

INTRODUCTION

Shropshire House will introduce 25,045 sq ft of refurbished workspace over the 2nd and 3rd floors. The refurbishment will see the original Art Deco features restored and reimagined on both the floors and in the common parts.

BUILDING ENVELOPE

The building envelope is designed to respect its surrounding neighbours. The building was built in the 1930s and the original structure will remain the same. All external glazing will be replaced with new double glazed Crittall-style glazing with some openable windows.

CRITICAL DESIGN DATA

No. of storeys;

6 storeys above ground level over a basement storey

Floor to ceiling (to underside of soffit);

Level 3 - 2.96m

Level 2 - 2.96m

Lighting/service zone;

Varies

Structural zone;

Varies

Plant area;

The following plant is located at roof level:
Offices VRF AC heat pump condenser plant.

Miscellaneous ventilation plant serving ground and basement floors.

Space for tenant's Cat B plant.

Occupational densities;

Design Occupancy: 1:10 In line with BCO Guide 2014 and based upon people per m² of net office area (NIA).
