A rare and exciting opportunity to acquire a fabulous slice of North Somerset offering an unparalleled view across the South West. Oatfield Farm & The Olde Piggery are truly unique properties of the type which rarely come to the market. As you approach the main house you can imagine bygone years of the farm in action with stabling, barns and outbuildings and an oh-so-pretty walled cottage garden. The proposition offers two individual, detached dwellings and retains charm by the bucket load, having been tastefully updated for modern living, whilst retaining the old-world charm lost in so many lovely farmhouses. A lengthy entrance drive invites you into the farm with breathtaking panoramic views of rolling countryside and outbuildings aplenty. You'll get an immediate sense of the sizeable plot, with stabling, outbuildings and equine facilities including an elevated ménage and paddocks circa 4.5 acres.

For families seeking blended living, particularly those seeking equestrian facilities, this property has plenty to beckon you.

Entering into the main farmhouse, you'll find a stylish boot room with plenty of cupboard space for coats and benches and space aplenty for all the family's wellies! From here you enter into the hallway from which all rooms flow well. The cosy dual aspect sitting room has a large stone fireplace and views to the front and side gardens – think comfy sofas and nights in.

The well fitted kitchen with stylish appliances is dual aspect and has access to the family dining room with its own fireplace.

There is a study/hobby area with direct access to the front of the house and a further light, bright and stylish garden room with large doors accessing the garden. A very useful utility room and a downstairs loo complete the ground floor.

To the first floor are three double bedrooms, and a stunning family bathroom. With a freestanding bath, this is truly a room with a view and you can have a soak and take in starry skies and distant views in complete privacy!

The Olde Piggery is a separate dwelling which has undergone extensive renovation within the curtilage of Oatfield Farm. This is a two bedroomed detached home constructed to a high specification- think spacious and light taking in the panoramic countryside views.

Entering the home through large doors into the sitting/dining room and kitchen area – the kitchen is beautifully fitted with all appliances and a large central island. Leading from the kitchen is a useful utility room with internal access to a workshop/garage. There is a large principal bedroom with an ensuite leading from the sitting room. There are a further two reception/bedroom accommodation with ensuite to complete this fabulous home.

To the outside of the properties, offering so much opportunity- are a range of outbuildings including three stables, two barns, a garage and workshop. There is so much opportunity to upgrade these versatile buildings to become lettable holiday or Airbnb accommodation. The grounds currently facilitate a fresh cut flower farm with further potential for versatile usage. These properties offer the next custodian the opportunity to enjoy a rural lifestyle with the benefit of modern conveniences. Beginning its life as a pig and hen farm with much of its history still evident, the main house dates back to the 18th century with character aplenty. The two properties are registered as separate titles and can therefore be sold separately or together - ideal multi-generational living!
