Quintessential terraced cottage in the heart of Winford Village! This home is ideally located a stone's throw from the school, shop and pub! The property would benefit from some improvement; however, it is well presented throughout.

Entering via the front door into the kitchen/breakfast room – this has a good range of units and a window to the front. It leads nicely into the bright and spacious sitting/dining room – there is a bay window overlooking the garden as well as a glazed door providing access to the garden.

Wooden stairs leading from the kitchen take you to the first floor where there are two good sized double bedrooms – the larger of which again has a large bay window flooding the room with light and which overlooks the garden. A modern shower/wet room completes this floor.

Outside to the rear is a very pretty cottage garden with raised beds and lawn together with a garden shed.
