This 1-acre freehold development site on Hall Street, St Helens, presents an outstanding opportunity for investors and developers. With planning permission already secured for 64 high-quality apartments, the site offers a versatile and strategic investment in a well-connected location, addressing the growing demand for housing.

Ideally positioned just a short distance from St Helens Central Train Station, the site provides excellent transport links to Liverpool, Manchester, and beyond. Additionally, the vibrant town centre is within walking distance, offering a diverse range of retail, leisure, and business amenities.

Beyond the approved plans, the site holds strong potential for alternative developments, subject to the necessary approvals. Opportunities may include affordable housing, supported living, extra care, assisted living, or later living accommodations, making it a flexible and future-proof investment.
