Located just off Vicars Hall Lane, this unique and exceptionally spacious family home offers the perfect balance of convenience, character and flexible living. Set within Boothstown, you are just moments from scenic walks along Boothstown Marina and the Bridgewater Canal, with excellent commuter access via the A580 into Manchester City Centre. St Andrews Primary School is also nearby, making this an ideal location for families.

Originally two separate properties and now seamlessly combined, the home spans three well-planned floors, offering generous proportions throughout. The ground floor provides a choice of reception spaces, including a welcoming lounge and a further reception room ideal for formal dining or a snug. The family kitchen offers ample workspace and storage, while the dedicated dining room creates a natural hub for day-to-day living. A useful utility room and guest WC complete the ground floor.

To the first floor are four well-sized double bedrooms, including an impressive main bedroom with en-suite, all served by a modern family bathroom. The second floor presents a substantial loft room – a highly versatile space that could be used as an additional bedroom, home office, teenage suite or hobby room, depending on your needs.

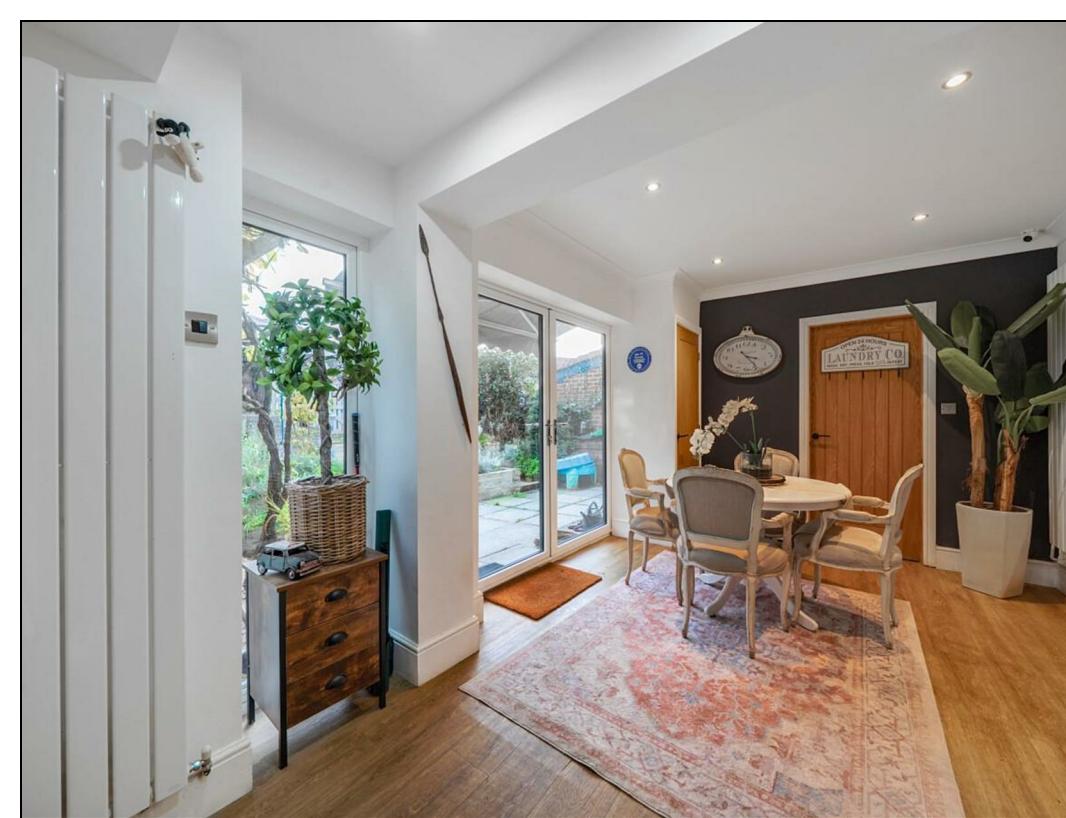

Externally, the property benefits from off-road parking for four cars to the rear and a private garden that provides a lovely setting for outdoor dining and relaxation. One of the standout features is the fully insulated and heated bar/outbuilding, offering a fantastic year-round entertaining space or alternative home working area.
