## **Sellers Notes**

If you are looking for a modern but classic residence, tucked away in a peaceful area away from the 'concrete jungle', then we are in no doubt that our beautiful home at 100 Beswick Gardens will be the perfect haven for you.

When we originally purchased our home, our priorities were safety, privacy and versatile living. The plot is generous and secluded, being nestled at the very top of a cul de sac. There is no through traffic, making it extremely safe for families with children and pets. Unlike many new builds, it is not overlooked to the rear, making the beautiful, south facing garden the perfect place to unwind at any time of day. The neighbours are wonderful and also enjoy the peace that Beswick Gardens offers.

Internally, bi-fold doors offer the option of an open space when entertaining guests, perfect for both Birthdays and Christmas, but also give the choice to separate the downstairs living space for a more compact and traditional feel - especially comfortable for those cosy winter evenings in front of the fire.

We had many plans to extend our home, with ample space to the rear and side of the property to do so, like many other neighbouring households in the area.

The garage and carport areas offer a huge space available for conversion to either a guest room with ensuite, a playroom for the kids, a gym, a workspace, or even a man cave! The possibilities are endless and adaptable, according to your budget; and with no work necessary at this stage, you can move in right away and live comfortably until you're ready to expand the home.

The semi-rural location in Bilton boasts lots of history, a friendly community and village like feel, with a variety of shops on the High Street including a local butcher, baker, cheesemonger, supermarkets, takeaways and salons - making it a comfortable and convenient place to live.

If you enjoy walking your dog or jogging, the location is perfect as there is a beautiful park on your doorstep, and many public footpaths, that lead to the stunning countryside and to the neighbouring village of Dunchurch.

Alternatively, if you enjoy other exercises, there are over 5 gyms within a 10-minute drive. The town of Rugby is only 7 minutes'

drive by car, with buses into the centre available every 15 minutes. You will also find Rugby train station, which is ideal for those who'd like to commute to Coventry, Birmingham, London and Stoke-on-Trent.

Shopping is also made easy with Elliots Field shopping park just north of the town, with outlets such as M&S and Next, a cinema, and various other tasteful shops and restaurants, virtually on your doorstep.

Oh and one final fact! Rugby has been named the safest major size town in the whole of Warwickshire - which we felt was a massive plus.

We hope you enjoy viewing our beautiful home, and we know it will bring the next owners as much peace and joy as it has us.
