# 12 Bridgefield Avenue

## Wilmslow SK9 2JS

### Offers Over £590,000

Beautifully-presented to exacting standards throughout, this attractive traditional residence boasts a highly sought-after address and provides stunning, spacious accommodation which is certain to impress.

A storm porch leads to a wide reception hallway with cloaks cupboard. To the front of the house is a dining/sitting room with large bay window and feature gas 'log burner' style fire with remote control. To the rear is a superb sitting room, also with feature fireplace. French doors lead out to the garden. The kitchen has been re-modelled and fitted with contemporary German Bauformat units with quartz worktops, premium integrated appliances and a Quooker instant boiling water tap. A deep walk-in pantry provides additional storage space.

A turning staircase rises to the wide landing, with large feature window with coloured glass. The two double bedrooms are of excellent proportions, both have been fitted with 'Sliderobes' which provide generous storage space. The third bedroom is a good size and it overlooks the garden. A superb recently-refurbished luxury family bathroom features a Heritage free-standing bath with fitted bathroom furniture. The property also benefits from a Shower Room with enclosure, WC and Laura Ashley washstand with marble top.

The loft space is part-boarded, with comprehensive insulation. The house also benefits from cavity wall insulation.

The house stands behind a block-paved driveway with gates leading on to a detached garage. The enclosed landscaped rear garden enjoys a southerly aspect. A seating area leads to a central lawn. Raised beds and slate-covered sections, established borders, a fish pond and a summer house completes this attractive private garden.

An internal inspection is essential in order to fully appreciate this immaculate home.
