100 Gleneagles Road

Heald Green SK8 3EN

Offers Over £475,000

This detached residence occupies a well-proportioned plot towards the centre of the ever-popular Gleneagles Road development which is located within convenient reach of the amenities of Heald Green and Cheadle. The area enjoys excellent transport connections and there are popular schools for all age groups, offering both state and private education.

The house offers versatile accommodation which would suit further extension, as evidenced by a number of the neighbouring properties.

An entrance hallway leads to a front living room with folding internal doors opening to a rear sitting room. This room features folding internal doors to a bedroom or study, with a door leading to a conservatory and another to an inner hallway with access to a ground floor shower room/WC and to a storage room. Also to the ground floor is a kitchen with refitted base-level units and a recently-installed combination boiler. Completing the ground floor is a room which can be utilised as a double bedroom or as an additional reception room.

To the first floor is a landing with storage. A shower room and separate WC serve the two large double bedrooms on the first floor - both have useful storage into the eaves.

The property stands behind a lawned garden area, alongside a paved driveway. Gated access to either side of the house leads to an enclosed garden which is laid to lawn, with seating area and decorative borders.

This property offers a great degree of flexibility and as such, will suit a wide range of potential purchasers. An internal inspection is recommended in order to fully appreciate this versatile home.
