THE GARDENS

The garden is a very attractive feature of this fine Victorian house and measures approximately 0.4 acre. As previously mentioned this property has a frontage to Mount Avenue of 124'. The gardens consist of many lawned areas interspersed with shrub and perennial borders and a number of established trees. A particular attraction is the

substantial very privately situated SWIMMING POOL all set in a raised paved surround bordered by shaped evergreens and lawn. Attached to the rear of the house is boiler/plant room with pool filter and water heater and this in turn leads to a sauna. The entire garden is screened by 7' evergreen hedging and is completely private from all sides. Across the southerly elevation of the house is a large paved sun terrace and this is in sunshine throughout the entire day. Brick piers with wrought iron electric gates open to a large shingle driveway capable of providing off street parking for a good many vehicles with ease. This leads to the double garage with pitched roof and electronically operated up and over door.
