**MEACOCK & JONES**

OFFERED TO THE MARKET WITH NO ONWARD CHAIN. A very appealing and extended four bedroom detached 1970's built house, situated in a desirable cul-de-sac turning, just off Worrin Road. The property is located in the St. Mary's School catchment area and Shenfield mainline railway station and shopping Broadway are both a very convenient, short walk away.

**Guide price £975,000**

The ground floor comprises a magnificent, bright and spacious living area that incorporates a large lounge/sitting area, study area and raised dining area that is situated conveniently adjacent to the open plan kitchen/breakfast room. Two sets of double glazed bi-folding doors open to the westerly rear garden. The house has been extended to provide an open plan kitchen/living/dining area that is very much the hub of this family home. French doors open to the rear garden terrace that draws the afternoon sun. A study is situated at the front of the house, ideal for those that work from home.

The first floor comprises four generously proportioned double bedrooms and two well appointed bath/shower rooms. The rear garden is an attractive feature, with a maximum depth of 50' and a width of approximately 40'. Across the rear of the property is a paved terrace, of an ideal size for outside entertaining. The remainder of the garden is laid to lawn and screened on all sides by a mature array of established shrubs, plants and trees, all serving to provide an excellent degree of privacy. Though the driveway to the front of the house offers spacious off street parking, there is scope to enlarge this, if required, as much of the front garden has been laid to lawn. There is external access to the rear of the property via either side and a large garage provides additional storage/car parking space.

The location of the house is ideal. Mulberry Hill is within short walking distances of Shenfield mainline railway station/Crossrail terminus and shopping Broadway, though also easily accessible to Brentwood town centre by foot. This attractive home is situated within the St. Mary's School catchment area and is offered to the market with no onward chain.
