**** INITIAL OFFERS INVITED IN THE REGION OF £500,000 - £550,000 ****

Meacock and Jones are delighted to offer for sale, with no onward chain, this three bedroom detached family home falling within the catchment of the sought after St Josephs Primary and All Saints Primary School, with many other options available at all levels. With plenty of potential for development and extension (stpp), plus a huge loft space and a rear garden measuring approximately 130' in length, this property really has many attributes for multi generational living. Set within just 0.9 miles of Shenfields busy high street, with its great options for shopping and socialising, plus the mainline railway station offering fast links into London, and beyond with the now established Elizabeth Line, this family home also has the advantage of being a stones throw from other local shops and services.

Commencing with a good size hallway which leads to the spacious lounge, with feature fireplace and attractive bay window window to front, you will find the kitchen to the rear of property which is well fitted at both base and eye level, with the added convenience of a downstairs cloakroom. In addition there is second reception/dining room set at the rear which would be perfect to create a large open plan kitchen/dining area (stpp) with its lovely views over the attractive gardens. Heading upstairs the part galleried landing leads to the three double bedrooms and the family bathroom.

Externally the large mature garden is private and secluded, a perfect place to take a quiet morning coffee or entertain guests when the weather allows. There is access to the front from both sides leading to the block paved driveway to the front allowing parking for two to three vehicles.
