# 8 Widworthy Hayes Hutton Mount

Brentwood | Essex | CM13 2LN

A very large six bedroom detached family home, situated on a large and established 0.312 acre plot within this very exclusive, private residential estate.

This appealing property has been extended and entirely renovated by the current owners to offer bright and well proportioned accommodation, across three levels.

Accessed through wrought iron electronically operated gates, controlled by a smart device, a carriage driveway leads to the house. Upon entry, a large and triple height ceiling offers an impactful entrance and sets the tone.

Double doors open to the open plan kitchen/dining/family room, that extends the entire width of the rear of the house. The German kitchen is contemporary in style and comprehensively fitted with top of the range Miele appliances that include an integrated microwave, steam oven, oven, coffee machine, plate warmer and dishwasher, to name a few. The tall ceiling height adds to a marvellous impression of space. Bi-folding doors open to the extensive rear garden. In fact, the rear garden is a particularly attractive feature. Screened by a mature array of trees, it measures approximately 140' in depth by 65' in width.

Underfloor heating extends the entire ground floor of the property, (with radiators that heat on the first and second floor level). The house has been built for entertaining and it incorporates an integrated music system.
