HERE TO GET *you* THERE

This fantastic home sits in a commanding position on the Jacks Key Drive estate with views over Darwen Tower and the Darwen moors. An excellent home we feel suited for growing families.

The home briefly comprises; entrance vestibule, hall, spacious lounge with media wall, open plan dining kitchen leading through to a conservatory. Off the kitchen there is access to spacious utility room with a ground floor WC which is very practical. To the first floor there are four bedrooms, master en suite and a family bathroom. Out back there is a good size two tiered garden with a mixture of decking and lawn. To the front there is a private driveway leading to a single garage.

Jacks Key is a highly popular development in the Whitehall area situated close to local shops and amenities. There is a great range of primary and secondary schools within the area to cater any educational requirements you may have along with fantastic walking routes.

OUR THOUGHTS - *'If you & the family are upsizing we highly recommend getting this on the shortlist. The area is second to none and the plot position is very rare!'*
