OUTSTANDING DETACHED HOME - 4 BEDROOMS - 3 SITTING ROOMS - SEMI RURAL - BUILT OVER 4 FLOORS - WOW FACTOR

Built over 2200 sq ft of living space the luxury accommodation suits family life down to a T. It comprises; entrance porch, open plan shaker style dining kitchen leading through to an extended living room with log burning fire. The heart beat of the home has lush views from every window with the reservoir in the back drop. From the kitchen there are double doors giving access to a drawing room, utility room & WC. The inner hall has a small stairway which leads to an additional lounge. The first floor gives access to three double bedrooms and a three piece family bathroom. As you move up another level you come to the master bedroom. A stand out room with bespoke dressing area and a quality en-suite shower room. Again the views from each window are exquisite. As you move up each floor you are flooded with natural light from the cleverly positioned Velux windows showing off the bespoke crafted balustrade. Externally there is no expense spared. The sellers have kept a large proportion of the garden space useable 365 days of the year, with artificial turf and printed concrete, great for dogs and children to be let loose. Not stopping there the garden has a bespoke external stairway leading up to a glazed sun terrace which sits above the extended lounge. Finished in composite decking or artificial turf depending on what suits your fancy, this is a master stroke from the sellers.
