JACKS KEY DRIVE, DARWEN

£500,000

We are proud to welcome another beautiful detached home to the market. Positioned on arguably the best plot on the Jacks Key development in Whitehall.

Internally the property comprises; entrance hall, open plan dining kitchen, utility room, ground floor bedroom with dressing area, spacious lounge & conservatory/snug. To the first floor there are three extra bedrooms, a master en-suite shower room and a high class fully tiled shower room. All bedrooms come with stylish fitted wardrobes. The property has been carefully renovated over the last few years, creating a executive family home.

Externally the property has been fully landscaped, with a mixture of artificial turf and composite decking. Described as a 'sun trap', the south facing direction makes this a brilliant place to host family and friends long into the summer evenings. To the front there is a generous sized garden alongside a double driveway. The house benefits from a good size integral garage with both rear access and an electric roller shutter door.

Jacks Key Drive is a highly desirable development situated in the Whitehall region of Darwen. It offers fantastic links to local schools and nurseries along with every day essentials from local gyms, cafe's and shopping markets. The M65 motorway link is within short proximity and there is easy access into neighbouring Bolton through the A666.

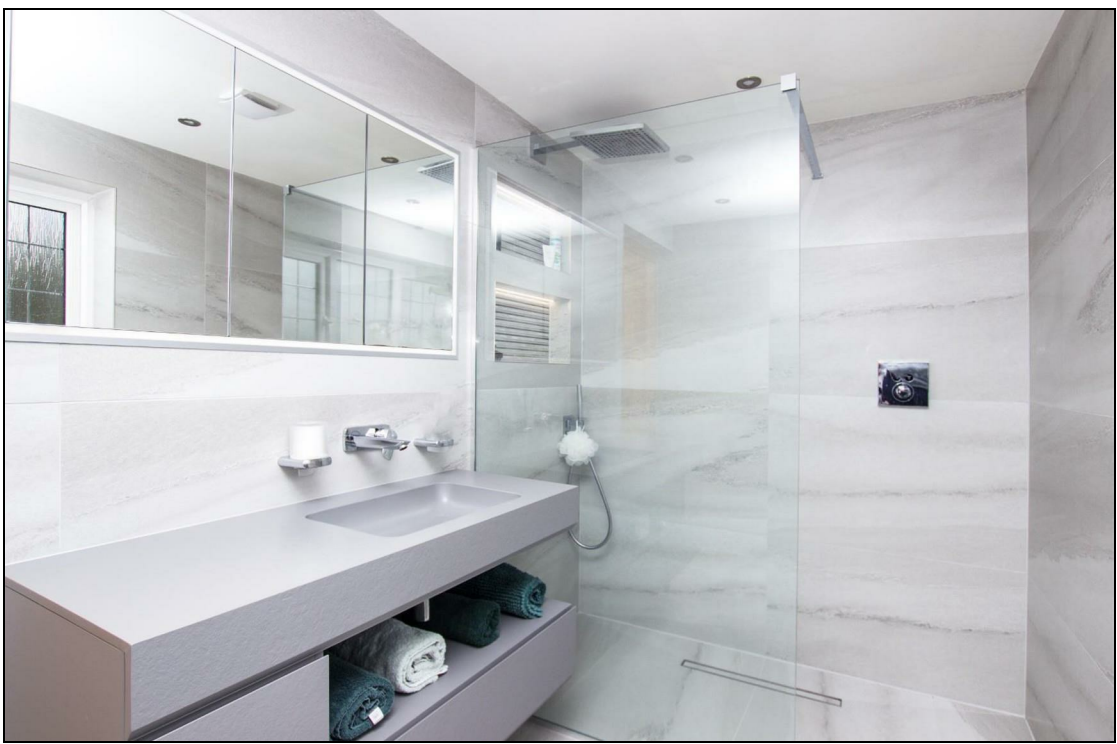

OUR THOUGHTS - *'A beautiful location equally matched with the stunning plot its sat on'*
