

# Birmingham Road, Shenstone Wood End

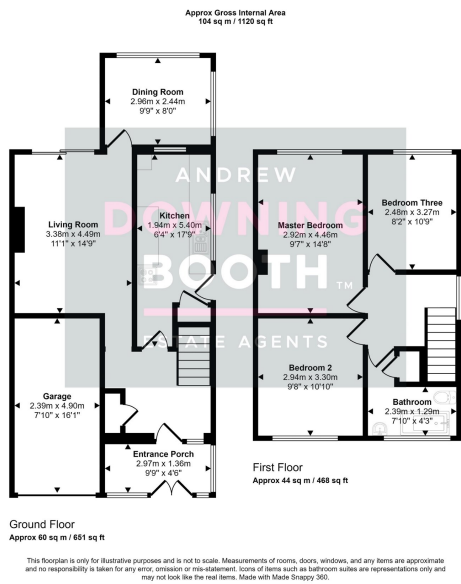

£365,000

3 1 2

A wonderfully presented three bedroom home in a highly sought after semi-rural location, with an exceptional rear garden backing on to neighbouring fields. This fantastic semi-detached property on Birmingham Road of Shenstone Wood End comes to the market with a wide range of attractive features, from the generous room sizes throughout, to the impressive desirable location set back from the road AND benefitting from no upward chain. The semi-rural village of Shenstone is always a highly sought after area, with scenic walks and countryside all around whilst having various transport links, major supermarkets and highly rated schools all easily accessible, with Shenstone railway station being just over half a mile away, so it's safe to say that the location lives up to the property. The accommodation is set across two floors, with an entrance hall, living room, dining room and kitchen all to the ground floor whilst the three double bedrooms and bathroom occupy the first. Externally, a spacious driveway and garage make up the frontage whilst a very well maintained garden consisting mainly of a good size lawn and raised, low maintenance composite decking (with a summerhouse part way up) make up the rear, backing on to picturesque neighbouring fields with a gate providing access. Properties that tick this many boxes do not come up frequently, and when they do, they tend to be popular; we must advise booking in a viewing at your earliest convenience.
