**TICK...TICK...TICK...No, that's not the sound of a broken clock, it's the sound of boxes being ticked by this stunning detached home! Properties like this rarely come to market, with fields to both the rear and side sitting on the edge of a desirable village, with a generous plot, stylish and beautifully appointed accommodation throughout and one of the most spectacular family kitchen diners you are likely to find! The property boasts all the accommodation a family could wish for, with a through entrance hall with guest WC off, a large living room, study and that magnificent family kitchen diner with vaulted ceiling, doors opening to the garden and a generous utility accessed off. Upstairs are four good sized bedrooms (no box rooms here) including a fabulous, large master with stunning en-suite as well as a wonderful family bathroom. There are beautiful views to the rear over the adjoining countryside, whilst the garden is gated, with access to a large block paved driveway, and a vast lawned garden lying beyond. The property sits at the top of the cul-de-sac in a quiet position, so what more could you possibly want?! This is a home that can only be appreciated with an internal inspection so book in your visit today.**
