This property might not look much like a blue telephone box but it is about as tardis like a home as you will see! A three bedroom detached home with over 1400 square feet of accommodation (garage included) at an extremely competitive price. The property sits in the highly desirable village of Cannock Wood and comes with substantial accommodation including an entrance hall, large kitchen/diner, living room and dining room/family room as well as an inner hall leading to a guest WC. Upstairs are not one but three generous double bedrooms as well as a spacious family bathroom with its own separate shower enclosure. Outside the plot is particularly pretty with a large block paved frontage sitting in front of the garage providing ample off-street parking and a reasonable low maintenance rear garden, with gravelled area and well stocked shrub borders. The garden also benefits from being particular private. This property really does offer a huge amount of space for the price - so don't miss out and book in an early viewing.
