

Warren House, Batesway, Upper Longdon, WS15 1PX - STUNNING Country Property

£750,000

4 2 3

This incredible country home is bordered by farmland, has the most fabulous views, is close to Cannock Chase and sits in Upper Longdon upon a peaceful country lane. Lovingly renovated by the current owners who have cleverly linked an 1800's cottage with a reclaimed brick built bungalow annexe by stripping back to brick and adding a new roof, to produce wonderfully versatile living spaces offering the potential for an annexe and possible future garage conversion .

The property boasts four bedrooms, a bathroom and a shower room, an open plan kitchen / diner, a utility and two lounge / dining areas, whilst the Southerly rear garden is utterly charming with the perfect patio for sunny afternoons, a very large recently built clad garage and a small paddock / plot sits directly opposite affording plenty of parking.

Such an idyllic location and property deserves further consideration and is surely a must view home!
