SPECIFICATION

LOCATION

SWITCH 74 is located just off Mollison Avenue (A1055) in the centre of Enfield's industrial/logistics and business hub and has excellent frontage when viewed from either direction.

The immediate road network provides excellent access to Central London, North Circular (A406), M25, M1 and M11 Motorways. The unit also benefits from excellent public transport links being located adjacent to Brimsdown station, providing rail links directly to Tottenham Hale (15 minutes), London Liverpool Street (30 minutes), as well as services to Gatwick and Heathrow airport.

	DRIVE TIMES	DISTANCE
A10	7 mins	1.5 miles
Enfield	12 mins	2.9 miles
Waltham Cross	10 mins	3.5 miles
J25 M25	10 mins	3.6 miles
A406 North Circular	10 mins	4.6 miles
J6 M11	18 mins	11 miles
City of London	30 mins	11 miles
West End	35 mins	12 miles

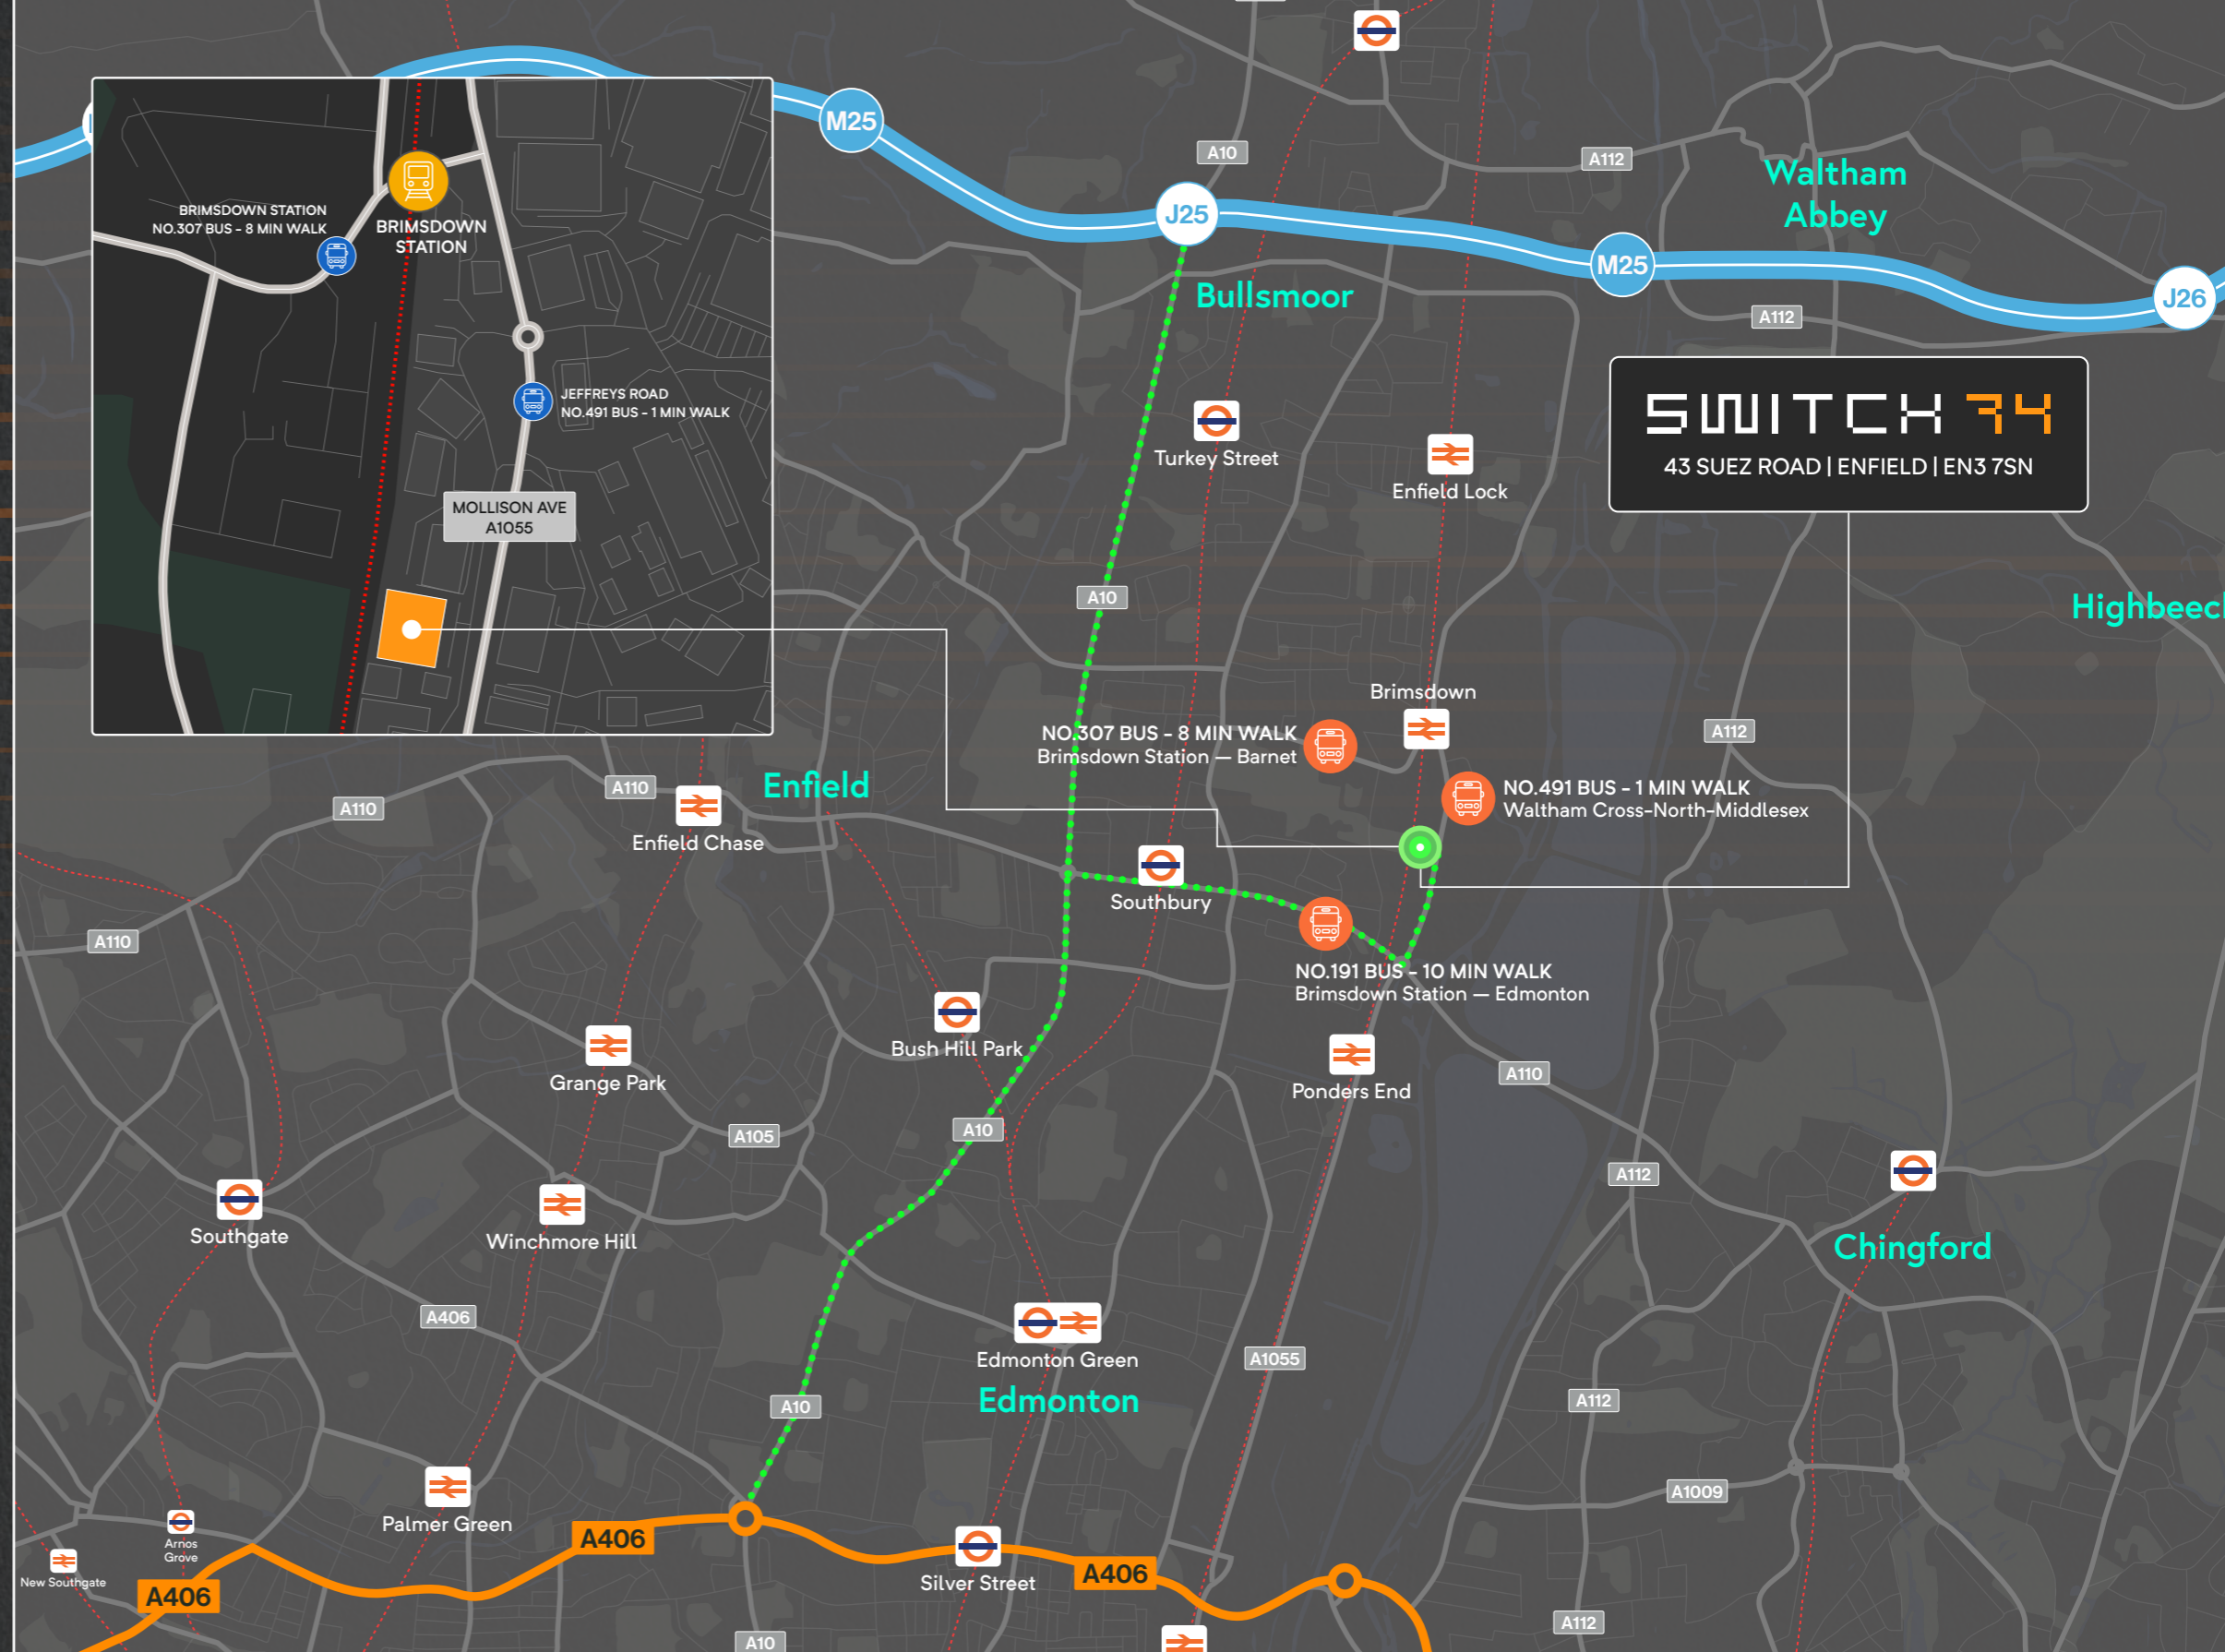

From Brimsdown

	JOURNEY TIME
Brimsdown (Greater Anglia)	8 min (walk)
Ponders End (Greater Anglia)	3 mins
Tottenham Hale (Greater Anglia)	15 mins

	DRIVE TIMES	DISTANCE
London City Airport	35 mins	16 miles
Stansted Airport	30 mins	28 miles
Heathrow Airport	58 mins	41 miles
Gatwick Airport	1 hr 10 mins	63 miles

GREEN SPECS

ESG has been central to the design of this building and ensures that an occupier has the latest technology and initiatives to support their own ESG objectives. The 1000kVa power supply ensures energy security as a business grows and the flexibility to meet the demands of additional electric vehicle reliance.

Additionally, a 260kWP Solar PV system ensures that energy costs from the grid are greatly reduced and enough additional electricity is produced to achieve Net Zero Carbon for base build energy usage. Several other initiatives have been incorporated to deliver a modern high specification building both environmentally and in terms of welfare for the end users, including rainwater harvesting, secure by design features and green breakout spaces.
