The front of the property provides you with plenty of space for parking including a driveway for at least 2 cars with an already fitted Ev charger for your electric car alongside a double length tandem garage which is also big enough for 2 vehicles or the perfect storage space especially if you are a proud owner of a classic car/boat. The garage offers unlimited potential due to the size and loft space meaning it could be converted into an extension or your very own annex subject to planning permission.

Decorated to modern taste with a grey and white colour scheme throughout, This family home consists of a large lounge, kitchen with fitted appliances and space for a dining table, a separate dining room (currently being used as a downstairs bedroom) as well as an extra utility area and downstairs w/c.

Upstairs you have 4 good size bedrooms, two en suite (both have been completely refurbished) as well as the main family bathroom which helps to save the getting ready morning arguments. The master bedroom also has the practicality of already fitted wardrobes.

The garden provides you with both a seated decking area and lawn. Outside you will find the cabin with already fitted electrics that will make a great space for many uses such as those who work from home needing an office/salon space or even for entertainment purposes such as bar or home gym, the options are endless.

If you are looking for that forever family home with all the room you need then this is the home for you.
