

BOURTON GARDENS

BADSEY

BOURTON GARDENS
BADSEY

Welcome to Bourton Gardens.

This beautiful collection of 2, 3 and 4 bedroom detached homes is located in the popular village of Badsey just a couple of miles east of Evesham and within easy reach of the Worcestershire towns of Broadway and Honeybourne.

All of these homes are built to our Signature specification with an exceptional finish throughout, delivering superior homes built with style.

COUNTRYSIDE LOCATION

THE PERFECT OUTDOOR LIFE

The village of Badsey is located in the beautiful Vale of Evesham, famous for its crops and market gardening thanks to the light sandy soil combined with a warm dry microclimate that allows for perfect growing conditions - particularly for Asparagus, which has always been linked to the area and even enjoys its own festival.

The river Avon in Evesham offers fishing and boating opportunities as well as tranquil walks along the riverbank while wooded hills and valleys in the Cotswolds allow for more extensive hiking, biking and horse-riding. You won't be short of beautiful views either, whether picturesque village greens or sweeping vistas across the hills from Broadway Tower.

PLACES TO EAT & DRINK

There is no shortage of places to eat and drink in the area and in particular a number of delightful village pubs including the Wheatsheaf and the Round of Gras in Badsey itself as well as the picturesque Fleece Inn at Bretforton which plays host to Morris Dancing, folk nights and the famous annual asparagus festival.

FARM SHOPS & SUPERMARKETS

The Vale of Evesham is sometimes referred to as the 'fruit and vegetable basket of England' and Chadbury, Ellenden, Hampton and Wayside farm shops, selling locally grown and sourced produce are all within 5 miles. The Spar mini supermarket in Badsey is useful for last minute food and drink purchases, but for most shopping requirements you'll need to visit Evesham for the well-known supermarket names, from Aldi to Waitrose, with Morrisons and M&S Simply Food in between.

TRANSPORT CONNECTIONS

TRAVEL OPTIONS MADE EASY

Badsey is located in the south-west corner of Worcestershire and benefits from some great transport links. It's just a 5-minute drive to the A46 Evesham ring road which takes you quickly to Stratford and Birmingham to the north or Tewkesbury and Cheltenham to the south and once on the M5 there's easy access to the Southwest or the North of England. Alternatively, the M40 motorway in the other direction is only a half hour drive.

Nearest train stations are at Evesham and Honeybourne with regular direct services to London Paddington (less than 2 hours) or via Worcestershire Parkway to Birmingham or Gloucester.

Birmingham International is the closest airport but East Midlands, Bristol, Manchester, Luton and Heathrow airports are all around a 2-hour drive meaning international travel connections are within easy reach.

Badsey village enjoys a Cotswolds location with a variety of transport links within easy reach.

TRAVEL DISTANCES FROM BOURTON GARDENS

INTRODUCTION TO BOURTON GARDENS

There is a choice of 2, 3 and 4 bedroom detached homes at Bourton Gardens ranging from the Broadway, with unusually flexible living space, through to the Buckland with 4 bedrooms, detached double garage and impressive outside space.

All homes benefit from an outstanding finish with our Signature specification (see later in the brochure for more details).

This new development at Badsey is located just off the main Bretforton Road (B4035) with the main access through Kingshurst Gardens, although there is also a footpath that links directly to the main road.

FUTURE PROOFED FOR MODERN LIVING

BUILDING SUSTAINABLE COMMUNITIES

Cotswold Oak Homes is a responsible developer that cares deeply about the effect that modern construction methods and materials can have on the environment.

We consider the levels of carbon dioxide emitted during the construction process as well as during the lifespan of each home, and by reducing our carbon emissions throughout the build we're delivering sustainable and efficient homes which are fit for the future.

Our commitment to building future proofed homes includes:

- Solar panels to all private plots
- All homes installed with EV car charging points
- Insulation below damp proof course as per Part L Regulations
- Thermally broken energy efficient lintels
- 500mm insulation to lofts
- Wastewater heat recovery systems to all plots
- Ecostat 'Ecosmart' Thermostatic showers to all plots
- Sustainably sourced timber products
- Thermal efficient masonry wall construction with a High U Value rating
- LED light fittings

OUTSTANDING HOMES

CRAFTSMAN FINISH

Established in 2004, Cotswold Oak has grown over the last twenty years to become one of the most recognisable and successful construction companies in the Cotswolds and surrounding areas.

Over this time, we have delivered in excess of 250 new homes and seen families grow and flourish within a Cotswold Oak home – making memories and building futures.

QUALITY & CRAFTSMANSHIP

Born out of a successful Cotswold joinery business, we still craft bespoke handmade timber joinery items in our dedicated workshop using select hardwoods picked for their durability and aesthetic appearance.

Experience and skills have been gained in utilising oak for the practice of structural oak framing using traditional techniques with modern materials.

As well as delivering outstanding homes as part of select housing developments across the Cotswolds we are also involved in one-off bespoke construction projects working on individual buildings of outstanding quality.

Protection for new-build home buyers

Note: These particulars are intended as a preliminary guide for prospective purchasers and should not be relied upon. The elevational treatment for individual house types shows a typical arrangement. Details of materials and design treatments may vary. Any artist impressions shown are not intended to represent any particular plot. Purchasers are advised to inspect the layout plan to establish the arrangement of the house and surrounding property. Internal layouts show a general arrangement which may vary from plot to plot. The room sizes are approximate overall finished room sizes and are subject to normal building tolerances (i.e. $\pm 75\text{mm}$). Where described as 'maximum' this dimension is the longest available in that direction in that room. In all instances, purchasers are advised to inspect plot specific information which is available from our sales team. Nothing in these particulars or verbal assurance shall form or constitute part of any contract and are given without responsibility on behalf of Cotswold Oak. Cotswold Oak reserve the right to alter, re-plan, or amend any details be it aesthetic or dimensional, without consultation.
