The versatile and well-appointed accommodation comprises a spacious side entrance lobby opening to a reception hall, a modern fitted kitchen/diner with integrated appliances, an extended living/dining room with a feature roof lantern over the living room area, a study/occasional bedroom and a separate utility room to the ground floor, while to the first floor is the main bedroom and en suite shower room, two further double bedrooms and a family bathroom. There are also front and rear gardens and off-road parking space for two cars in front of the garage. Being sold with the added benefit of no onward chain, an early viewing of this impressive family home comes highly recommended.

Located overlooking Littlestone Championship Golf Course and enjoying distant sea views, only a short walk from the beach, and within easy walking distance to a bus stop. The village of St. Marys Bay is also within walking distance which has a small selection of shops and an active village hall. In the nearby Cinque Port town of New Romney, you will find a selection of independent shops, restaurants and amenities as well as a Sainsbury's store; the delightful Romney, Hythe and Dymchurch light railway also has a station in the town. Primary schools are available in New Romney, Dymchurch and Greatstone, secondary schooling in both New Romney and Saltwood, with boys' and girls' grammar schools available in Folkestone. The ever-expanding market town of Ashford is within easy driving distance and offers a far greater selection of shopping facilities and amenities together with high speed rail services available from Ashford International railway station with travelling time to London St. Pancras in under 40 minutes. Heading east along the coast you will find the towns of Hythe and Folkestone, giving easy access to the Channel Tunnel Terminal and Port of Dover and M20 motorway.
