*** Price Guide: £300,000-£310,000 ***

Mapps Estates are delighted to bring to the market this deceptively spacious three bedroom semi-detached Grade II listed residence located just off the high street and within walking distance of local schools and amenities. The original cottage is thought to date back to the early 19th century and has more recently been sympathetically extended and benefits from a gated courtyard garden and detached garage. The well-presented accommodation comprises a fitted kitchen with underfloor heating, a spacious dining room opening to the living room, a utility room and a wet room to the ground floor, two bedrooms and a family bathroom with underfloor heating to the first floor, and a double bedroom to the top floor. The property also benefits from a gas central heating system and off-road parking. To fully appreciate the character and charm of this period home, an early viewing comes highly recommended.

Located just off New Romney high street offering a selection of independent shops and restaurants together with a Sainsbury's store, doctors' surgeries and dentists. Primary and secondary schooling are located close by, with Littlestone championship golf course and beach also only a short drive away; the popular Romney, Hythe & Dymchurch light railway also has a station in the town. The ever-expanding market town of Ashford is within easy driving distance and offers a far greater selection of shopping facilities and amenities together with high-speed rail services from Ashford International railway station with services to London St. Pancras in under 40 minutes. Access to the M20 Motorway is via Ashford or Hythe, the motorway also giving easy access to the Channel Tunnel Terminal and Port of Dover.
