Mapps Estates are delighted to bring to the market this remarkable and bespoke four/five bedroom family home, constructed in the early eighties to a unique, American split level design and finished to a high standard throughout. The spacious and versatile accommodation is arranged over three floors with a large central reception hall connecting all three: to the lower ground level is a spacious garden room with bi-fold doors to the patio, a utility room and cloakroom, and access to the large integral garage; to the middle floor is the sitting room with an open fireplace, a dining room opening to the rear terrace, and a modern fitted kitchen/breakfast room, with the four bedrooms, en suite shower room and family bathroom on the top level. This immaculately presented property also boasts a generous, attractively landscaped rear garden, with a further garden and a brick block driveway to the front. Located only a short walk from the beach, an early viewing comes highly recommended.

Located in a popular residential road in Littlestone, within a short walk of the green and beach, a local Spar store and within walking distance of Littlestone Championship golf course. In the nearby Cinque Port town of New Romney, there are a selection of independent shops and restaurants including a Sainsbury's store, a public library, doctors' and dentists' surgeries. The Romney, Hythe & Dymchurch light railway also has a station in the town, while Dungeness National Nature Reserve is just a short drive away. There are two local primary schools nearby and the Marsh Academy secondary school is within walking distance. The ever-expanding market town of Ashford is within easy driving distance and offers a far greater selection of shopping facilities and amenities, access to the M20 as well as high speed rail services available from Ashford International railway station with travelling time to London St. Pancras in under 40 minutes. Heading west along the coast you will find the picturesque town of Rye, while to the east along the coast you will find the nearby towns of Hythe and Folkestone, giving easy access to the Channel Tunnel Terminal and Port of Dover for access to mainland Europe.
