Denise White Estate Agents Comments

Welcome to 'Greenfields', a charming double fronted 19th-century cottage, nestled within the heart of the popular Staffordshire Moorlands village of Endon. This deceptively spacious detached property has been maintained and upgraded by the current vendors to an excellent standard and offers the perfect balance of modern day living whilst retaining much of the original character and charm.

The accommodation is arranged over two floors, offering spacious and versatile living, well suited to family life. To the front of the property, you will be greeted by two inviting reception rooms, both with feature fireplaces and exposed beams, perfect for snug evenings with loved ones. The rear of the property boasts a fabulous, recently updated Kitchen featuring a central island with a breakfast bar and granite worktops, together with a full range of modern appliances including a warming drawer, wine fridge and waste disposal system, making it the ultimate space for hosting and entertaining guests. The Kitchen opens out into a light and airy Breakfast Room, which provides further space for dining and entertaining whilst overlooking the gardens. To the side of the property you will find a room currently utilised as a Gym, but would also serve well as an Home Office, which leads through to the Rear Hall which provides access to the rear of the property, as well a handy Utility Room and Downstairs WC.

To the First Floor, you will find Four Good Sized Bedrooms, each with its own unique character. The main bedroom sits to the front elevation on the property and features a vaulted ceiling with exposed beams. The second and third bedrooms are positioned to the rear aspect and share a Jack and Jill shower room, with the second bedroom also boasting a feature circular window. The fourth bedroom, a generous single room, sits alongside the main bedrooms, again featuring a vaulted ceiling with an exposed beam and sits alongside the Family Bathroom, which has been fitted with a modern white suite.

The cottage is comfortably embraced by a wraparound garden which offers an abundance of outside space together with ample off road parking. A formal lawned garden sits to the front aspect with a large south-east facing patio area to one side and a reasonably sized enclosed garden to the other, perfect for keeping both young children and the more green fingered occupants well entertained all year through. To the rear of the property there is a further traditional paved patio area which sits alongside a quaint water pump feature next to the brook.

Positioned just a stones throw from the highly regarded Endon Schools, as well as the thriving village hall, local shops and a popular local pub, which is well known for its generous Carveries!

It goes without saying that Greenfields truly boasts all the key features of an ideal family home, and an internal viewing is ESSENTIAL to appreciate all it has to offer in terms of the size of both the internal accommodation and gardens, as well as the location.

Location

Endon is a village within the Staffordshire Moorlands district of Staffordshire, It is 4 miles southwest of Leek and 6 miles north-northeast of Stoke-on-Trent. Together with neighbouring Stanley, Endon forms the civil parish of Endon and Stanley. The village boasts three popular schools; St. Luke's Church of England Primary School, Endon Hall Primary School and Endon High School, as well as a selection of village stores, a thriving village hall, popular local pub serving a highly rated carvery, and with a stylish cocktail bar and restaurant just a short drive (or pleasant stroll) down the road in Stockton Brook. The Caldon Canal also runs through Endon, offering pleasant rural walks through the Staffordshire Moorland Countryside.

The village is unusual in the respect that it is one of only a few outside Derbyshire which practices the ancient custom of Well dressing. A weekend fair accompanies the dressing of the well at which a

local girl is crowned as the Well Dressing Queen. The fair also includes a contest called "Tossing the Sheaf" where local men compete to see who can toss a bale of straw the highest over a raised bar. The fair is known for bringing the entire village together, which is a rare occasion for most modern villages.
