This three-bedroom semi-detached property presents a unique opportunity for those seeking a project to unleash their creative vision. In need of full renovation, this property offers a blank canvas for a buyer to transform it into their dream home.

Located in a popular residential area on the outskirts of the town centre, the property boasts a spacious layout with ample potential.

The ground floor features a generous living room with a large bay window to the front. The kitchen is located at the rear of the property, and although in need of renovation, offers a functional open-plan space that can be reimagined to suit individual preferences. There is also a rear porch space which could be transformed into a utility room to provide functionality suitable to modern day living. A further room to the ground floor provides scope for creativity and customization and could be turned into a multi-functional second reception room.

Upstairs, the property offers three well-proportioned bedrooms, two of which are doubles and the third a single providing ample space for a growing family. Each room offers great potential for renovation, allowing for the creation of personalized and comfortable living spaces. The bathroom, currently in need of updating, is situated to the rear of the home.

Externally, the property features off-road parking and garden. With some landscaping and gardening, the enclosed rear garden can become a delightful area for outdoor activities. Currently split into two tiers, the garden is west facing and creates a great suntrap which isn't overly looked by surrounding neighbours.

In terms of location, the property benefits from its proximity to local amenities, schools, and transport links, ensuring convenient access to everyday necessities and easy connectivity to other areas.

Overall, this three-bedroom semi-detached property in need of full renovation presents an

exciting opportunity for buyers with a vision. With the potential to create a personalised and modern living space, this property is a blank canvas awaiting transformation into a dream home.

Location

Known as the 'Queen of the Staffordshire Moorlands', Leek is a former textile town with a long and fascinating history.

The unspoilt town centre offers a refreshing alternative from modern shopping malls and has a wealth of independent shops, including former silk mills housing antique and reproduction pine centres, as well as traditional and contemporary furnishings.

Delicious local produce can be found in abundance at traditional butchers, bakers, greengrocers, delicatessens and cafes. Leek is also home to speciality producers of condiments, confectionery, preserves, wine, whisky, craft beers and the traditional Staffordshire oatcake.

Traditional markets abound, both indoors in the beautifully restored Victorian Butter Market and outdoors in the Market Place, offering everything from general goods, antiques and collectables to fine foods and special 'Totally Locally' Sunday markets. And when it comes to wining and dining, you can choose from a tempting selection of cafés, real ale pubs and restaurants.

Further afield, you'll find the unique, tooth-like rock formations of The Roaches, Rudyard Lake with its picturesque setting and narrow gauge railway and Tittesworth Water, a popular and accessible attraction for visitors of all ages.
