Mixed-Use Investment Property Overview

This freehold mixed-use investment property features a timber-framed, four-story Grade II listed building, providing two retail units on the lower and ground floors, alongside a development of six stylish apartments situated in the vibrant town centre of Leek in Staffordshire.

Merchant Quarters is a historic building that retains many original period features, blending quality craftsmanship with modern living expectations. Each apartment boasts a unique design and layout, with a combination of space, style, and distinctive finishes.

The upper floors comprise six apartments, including five one-bedroom units and one two-bedroom unit, offering a compelling investment opportunity.

Being a freehold property presents an excellent opportunity to add value by potentially splitting the title deeds into individual units. This would allow for the sale of the six apartments as separate titles, along with the retail premises on the ground floor, which could be classified as titles seven and eight. Currently, the properties are leased under two separate commercial leases, while the apartments are on six-month assured shorthold tenancy agreements.

The total accommodation spans approximately 6,003 square feet, with planning classifications of A1 and A2. The property is conveniently situated on Sheep Market, a key retail area just off the marketplace, ensuring high visibility and accessibility, contributing to its appeal as a principal retail hub for the surrounding community.
