EXCITING DEVELOPMENT OPPORUNITY

Coming to the market for the first time, this is an exciting opportunity for a developer or those looking to create their ideal home in a highly desirable and sought after village location. Currently, this is a two bedroom detached bungalow on the fringe of Peter Tavy but has huge further potential (subject to the necessary planning consent), **AVAILABLE WITH NO ONWARD CHAIN!**

A section of the property had been found to have Mundic so with this in mind we would suggest its suitable for cash buyers only. Further information is available upon request. The property is in need of modernisation and boasts generous rear gardens backing onto a further lawned area that is an unusual asset for such a property, providing an exciting opportunity for any prospective purchaser.

The gardens are lovely with gravelled and paved areas, bordered by stocks of shrubs, a perfect space for summer alfresco dining. The property also greatly benefits from an additional laid to lawn area. With a garage and shared driveway there is space for a couple of cars.

Internally, the accommodation briefly comprises living room, kitchen, utility, master bedroom, second bedroom and bathroom with WC, basin and shower.
