Morwellham, Tavistock

Offered with NO ONWARD CHAIN is this delightful and immaculately presented mid terraced three bedroom cottage, situated within the beautiful Tamar Valley. The property offers characterful accommodation with generous gardens to the front, as well as off road parking for a number of vehicles and a good sized garage.

The vendors have sympathetically refurbished this cottage to a particularly high standard, combining both character features with a contemporary feel. The window seat allows you to look out to the garden and the view beyond whilst the wood burner is perfect for those cold, winter nights.

The front porch boasts exposed stone work and leads into the lounge/diner, where there is ample space for a dining table and lounge furniture. Beyond is a modern kitchen, which benefits from an incorporated dishwasher, washing machine and fridge/freezer. A feature of the kitchen are the original floor tiles which were found during renovations. There is also a cloakroom/ WC at the end of the kitchen and a back door which leads to the small courtyard where a log store can be found. Upstairs you will find two double bedrooms and a generous single bedroom with the master bedroom boasting far reaching and beautiful views. The bathroom has a 'P' shaped bath with a shower over.

Outside, to the front of the property, is an enclosed garden which is laid to lawn, and mature plants and flowers provide an array of seasonal colour. A patio area is also within the garden and is perfect for a spot of al fresco dining. To the rear of the property, across the private lane, there is parking for a number of vehicles in front of a large garage - this has an electric 'up and over' door. Beyond, a further garden stretches to a bank with open fields behind. There are a number of apple trees in the garden: these provide an abundance of fresh fruit.
