The Property:

Barton Brow is a bright and spacious apartment which is reached from a private driveway and benefits from being on the second floor meaning the views are incredible from every room. This property is not your standard apartment because it also has the addition of a ground floor garage and large playroom which can either create additional living space or could be turned into an annex for rental, holiday rental or for other family members. This really is a must-see property to fully appreciate its potential.

Enter the property at the first floor into a spacious tiled hallway with stairs up to the main accommodation and steps down to the garage and playroom. There is plenty of space for coats and wellies as well as a handy WC.

Upstairs, there are two good-sized double rooms, one of which benefits from an en-suite shower room and both boast stunning sea views. The third bedroom is a further double with garden views.

The reception room is a generous size and with the triple windows providing sea views, this is a bright and spacious room. There is an electric fireplace with marble surround and hearth for added comfort on a breezy winter's day.

The kitchen/diner is another large open plan room. The kitchen consists of cream floor and wall units with an electric oven and extractor over and space for a dishwasher and fridge freezer. The island in the middle separates the kitchen from the diner and provides additional storage space.

The dining area is a bright space with double aspect windows with views across to Burgh Island. There is room for a large dining table to enjoy your meals.

The family bathroom is a large room with corner bath, pedestal basin, WC and enclosed shower.

Also on this level is access to a good-sized decked balcony perfect for evening BBQs or drinks after dinner to sit back and take in the view.

Downstairs:

There is a large double garage with this property that is utilised as a utility area and storage and a large playroom next door. This has huge potential to be turned into a small apartment which would be perfect for an older child or elderly parent or even to rent out on a holiday or long term basis.

Outside:

The garden to the rear of the property is mainly laid to lawn with flower beds bordering and a greenhouse. Around to the side and front of the property there is further garden space and the main garden is a large lawned area with mature shrubs surrounding it and some raised beds for growing vegetables. The garden is fully enclosed so is safe for pets and children.

There is parking in front of the property for 2 cars and an additional space that comes with Barton Brow for visitors or a place to store a boat.
