The Property:

Located in the sought-after Cumber Close development, this two-bedroom bungalow presents a fantastic opportunity for those looking to add their own touch. Requiring internal modernisation, the property offers great potential to create a comfortable home, whether as a first-time purchase, investment, or downsize option.

Stepping inside, a UPVC front door opens into a small entrance porch with a useful storage area, leading through to the main living space. This generous lounge benefits from a large front-facing window, allowing plenty of natural light to fill the room, with ample space for a dining area. Many properties in the area have opened up the kitchen to create an open-plan layout—an idea well worth considering.

The fitted kitchen includes a range of wall and base units, space for an electric cooker, and room for a fridge-freezer. From here, the hallway leads to the other rooms, including the family bathroom, which features a white suite with a large walk-in shower.

The master bedroom is a well-proportioned double, complete with a built-in storage cupboard and a rear aspect window overlooking the garden. The second bedroom is a single room with access to a rear porch, which offers plumbing for a washing machine. A UPVC door from the porch leads directly into the private, enclosed rear garden.

The property also benefits from a garage with a remote-controlled electric roller door, power, and lighting, providing excellent storage or parking options.

To the front, a lawned garden with a pathway to the entrance adds to the property's charm, while a small seating area offers a perfect spot to enjoy the surroundings.

With scope to modernise and enhance, 38 Cumber Close offers a wonderful opportunity to create a bespoke home in a desirable location.
