

An aerial photograph of a residential development. The central focus is a large, irregularly shaped plot of land outlined in red. This plot contains a mix of green grass, some trees, and a few small, older buildings. To the left and right of this central plot are rows of modern, multi-story brick houses with dark grey roofs. In the background, there is a large area of land under construction, with many houses in various stages of completion. A road with parked cars runs along the bottom right of the central plot. The sky is overcast.
