Units are available to purchase individually or in groups, making the properties ideal for established businesses, start-ups and Buy to Let.

MODERN DESIGN

Contemporary units built to stand the test of time.
10-yr insurance warranty.

QUALITY FACILITIES

Opportunity for fit out to suit buyer's requirements.

PRIME LOCATION

Close to major transport links including the M1 Motorway and A5.

BRAND NEW COMMERCIAL DEVELOPMENT

Close to major transport links including M1 and A5, within easy reach of Northampton and Daventry.

LIMITED AVAILABILITY

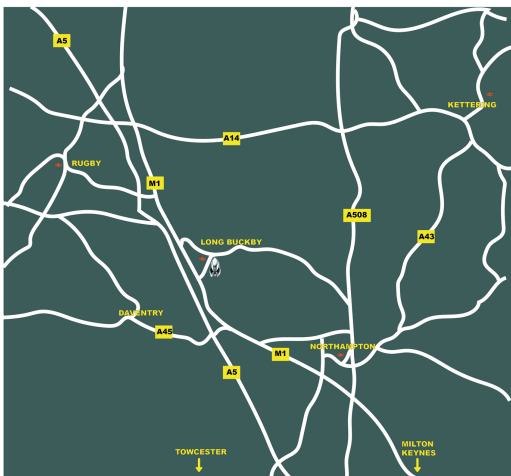

Set in a prime Location and less than two minutes from major transport networks, Apollo Park offers modern, high quality commercial property suitable for a wide variety of occupiers.

The gated business park features nine individual light industrial, two storey properties of 1,000 sqft ground floor with 600-800 sqft first floor. Units are available to purchase individually or in groups, making the properties ideal for established businesses, start-ups and Buy to Let.

Each unit benefits from ample allocated parking, insulated roller shutter doors, three phase electricity and spacious kitchenette and W/C facilities. All units can be fully reconfigured to suit buyer's requirements as part of a sales agreement and will be managed by a dedicated management company.

These units are available for purchase within SIPPs and Apollo Construction and Developments Ltd can assist with finding potential tenants for units purchased for investment purposes.

Address:
Apollo Park, Station Road,
Long Buckby, Northants.
