SERVICE WITH A WIDE RANGE OF SMILES

Premier quality homes deserve a customer service to match. CALA is committed to making your journey to a whole new lifestyle as enjoyable as the destination itself. Supporting you every step of the way, we work hard to ensure a straightforward and smooth-running move. From initial enquiry through to handing over the keys and beyond, we'll help your dream home come true.

Here are just some of the many happy comments we've received from CALA homeowners:

"By purchasing the showhome at CALA's Kings Barton development, it really did make the transition from living abroad really easy. The showhome offered really good value for money, and we were able to move straight into our brand new home without the pressure of finding new furniture, or moving existing belongings from the other side of the world. Our new home was perfectly designed and ready to move in to from day one, and it really does tick all the boxes. The space works really well for us, and our family and friends can't believe how beautiful our new home is – with many of them now wishing they could move into a showhome of their own!"

MR & MRS ARUNAN, PURCHASERS AT KINGS BARTON

"We absolutely loved the layout of the property. The downstairs had plenty of space for entertaining friends and family with a large kitchen/diner, a separate lounge and a playroom – perfect for hiding away all the toys! It also has a utility room which is ideal with a growing family. Everything in the house was so balanced, with four good sized bedrooms upstairs and no sign of the small box room you find in most four bedroom properties. The bathrooms and en suites are all really generous in size and the airy, open stairway, landing and high ceilings are often a talking point when family and friends come to visit."

MR & MRS GRIDLEY, PURCHASERS AT APPLGARTH VALE, GRAYSHOTT

THE PAYNES MAKE A HOUSE A HOME AT CALA'S SHOPWYKE LAKES

With a two year-old daughter and the birth of their second child imminent, Mr and Mrs Payne were looking for a relatively stress-free move which allowed them to settle into their brand new family home from day one. After visiting and falling in love with CALA's Shopwyke Lakes development in Chichester, they purchased their very own showhome which meant they were able to move into their new property in less than four weeks – just in time for their baby's arrival.

Mrs Payne said: *"When we first visited Shopwyke Lakes we instantly fell in love with the atmosphere and the sense of community. The properties are all beautifully designed and the layout of the 4 bedroom showhome felt really spacious – ideal for our growing family. We viewed the showhome on the Friday and knew straight away that we'd found the perfect house to make our new home. The next day we brought our family along to Shopwyke Lakes to view the property and by Sunday, we had placed an offer on the property which was accepted."*

"We have settled in really well to our new home as a family and enjoy waking up and taking in the beautiful views of South Downs National Park from our bedroom window each morning. The city, beach and countryside are all within a 10 minute drive of Shopwyke Lakes, so we have plenty of options when it comes to getting out and exploring the local area with our children."

MR AND MRS PAYNE,
PURCHASERS AT SHOPWYKE LAKES

"We were keen to find our new family home before our daughter was born. We had looked at other new build developments in the area but the homes at Imber Riverside were head and shoulders above the rest. The property is ideal for our needs as a family and gives us plenty of space to grow. We have already become good friends with another couple at Imber Riverside who have also recently had a child. It's been really nice to feel like part of a new community."

The sales team have been brilliant. They were really knowledgeable and after talking through the available options, we knew the ease and convenience of Part Exchange was perfect for us."

LISS

YOUR HOME, YOUR HAVEN

The village of Liss lies in the breathtaking district of East Hampshire within the South Downs National Park. This is an area rich in history with archaeological discoveries, including multiple Roman and Bronze Age artefacts, displaying evidence of its thriving former inhabitants.

Today, the centre of Liss is home to a vibrant community, offering the perfect blend of independent shops, an infant and junior school, two doctors' surgeries and a dental practice.

The Triangle Centre lies at the heart of the village. With a coffee bar, cinema, exhibition and meeting spaces, and from yoga classes to the latest blockbuster, there's plenty of fun for all the family.

The recently purpose built Liss Pavilion also offers the community a place to host a number of groups and activities as well as the flexibility to cater for events from weddings to birthdays parties and business conferences.

The Shipwrights Way is a 50-mile public right of way, cycle route and bridle path, providing some of the national park's most spectacular scenery. The Rother and Blackwater Rivers, wet meadows and woodlands offer the perfect backdrops for family trails and picnics.

If you're thinking of eating out, The Spread Eagle has a delicious mix of Sunday roasts, gourmet burgers and bar snacks while the Hawkley Inn pub is known for its traditional british pub atmosphere welcoming families to enjoy casual and fine dining menus. For those who prefer something a little more intimate Nathan Marshall Plestor House is known for its Michelin Star chef, presenting delicious dishes made with seasonal ingredients, cooked simply but with passion.

Just 10 minutes' drive from the development, the market town of Petersfield provides a further range of amenities, including an appealing mix of high street shops, boutiques, cafes, bars and restaurants. Haslemere and Alton are also easily accessible as are Chichester and Portsmouth.

For families with young children, Little Treasures Nursery and Liss Infant and Junior School are just a few minutes from the development. Whilst both Petersfield and Haslemere schools are good options for secondary level education.

Liss is the perfect out of city escape, with an established transport network so you can commute or simply explore the region with ease.

Just minutes from Andlers Wood the A3 bypasses the village providing convenient access to the south coast and M25 and London to the north. The Hindhead tunnel enhances the attraction of this sought after location by enabling a move out of the traditional commuter belts and suburbs but still being able to return for work.

Journeys from Liss railway station to London Waterloo only takes an hour and 10 minutes. Or from Petersfield Station, 4 miles by road from Andlers Wood, offering ample parking and frequent services every 15 minutes.
