Council Tax Band A

Deposit - the deposit is refundable at the end of the tenancy, subject to the property being left in the same condition as when it was taken.

Property Holding Fee - £130 is required at application stage to secure the property. This is not an additional fee but rather will be deducted from the first months' rent at the outset of any successful tenancy. The fee will be refunded if we are unable to proceed with your application, e.g. due to references. If however you decide not to proceed for any reason we will retain this fee. Similarly, the fee will be retained if you fail Right to Rent checks, or if you have provided false or misleading information, or where you do not provide relevant information to assess your application.

On applying for a property we require a completed application from all persons on the tenancy agreement along with a deposit and photo ID. If a guarantor is required, an application is required from the guarantor along with photo ID.

If you wish to take a tenancy, we require credit, employers, and landlord references. As a rough guide we recommend that the tenant's gross salary is equivalent to at least two and half times the monthly rental income. Tenants are usually required to be prior residents in the UK for at least 6 months. Where a Tenant is unable to meet the required income or credit checks, the Tenant may possibly have a Guarantor agree to underwrite any rent liabilities.

Rent is due in advance. The first month's rent must be paid in advance with cleared funds prior to moving into the property. Further rental payments are due by standing order.

Rent is exclusive of all services and taxes unless otherwise stated.

Where the tenants have requested a change in the tenancy (such as swapping tenants), the landlord will charge a fee of £50 (including VAT) to make this change.
