## Coal Mining

This map displays nearby coal mine entrances and their classifications.

### Mine Entry

- ✕ Adit
- ✕ Gutter Pit
- ✕ Shaft

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

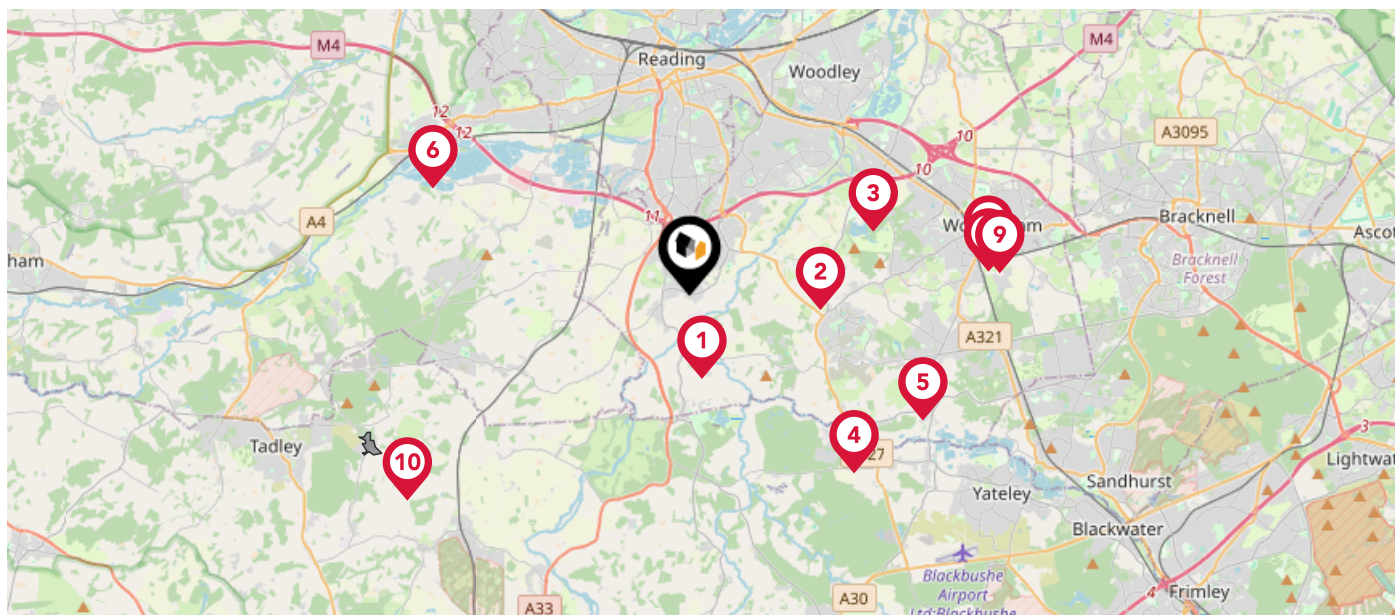

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

# Environment

## Radon Gas

### What is Radon?

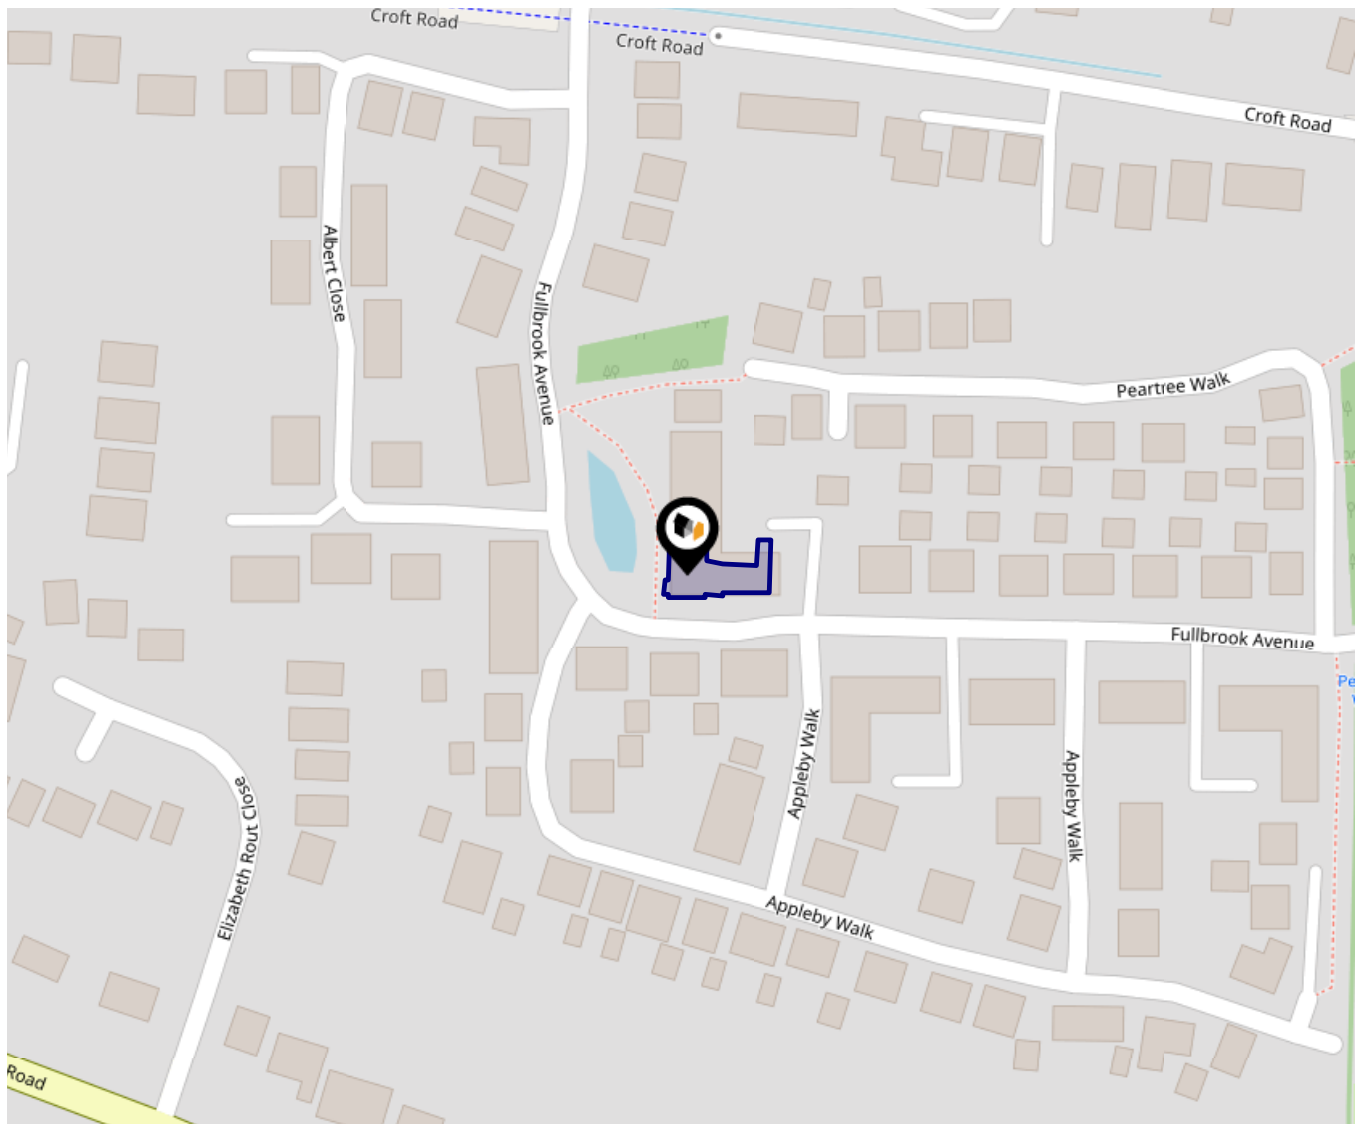

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m3).

# Local Area

## Road Noise

This data indicates the level of noise according to the strategic noise mapping of road sources within areas with a population of at least 100,000 people (agglomerations) and along major traffic routes. This indicates a 24 hour annual average noise level with separate weightings for the evening and night periods.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

- 75.0+ dB
- 70.0-74.9 dB
- 65.0-69.9 dB
- 60.0-64.9 dB
- 55.0-59.9 dB

## About Us

### Avocado Property

---

We are proud to be different, we want to create a legacy as the business that positively disrupted the industry and challenged the estate agent status quo.

Our clients all get direct access to business partners who live locally and are part of their local community. We work with local businesses to help promote their companies free of charge and we give back to teachers, nurses and armed forces servicemen/women.

We are passionate about changing the industry, passionate about helping people move on to the next chapter in their lives and passionate about property.

## Testimonials

### Testimonial 1

I've been good friends with Dan and Neil for over a decade, so first I just want to say they're genuinely good, trustworthy, and hard-working guys. When I decided to sell my house I was only ever going to ask them... and they didn't disappoint. The house was only 'live' for about an hour before it was taken down because it had so much interest. The following weekend they did a block afternoon of viewings and got 6 offers - I accepted an offer over asking

### Testimonial 2

I have never known such an excellent service. I have experienced other Estate agents but this is gold star. I have now told 3 other friends to only use Dan and Neil at Avacado. They are supportive, kind, professional and modern day super heroes. Marvel will be on the lookout for them soon!

### Testimonial 3

Can't recommend these two genuine gentlemen enough. From the start they have been professional and personable and provided timely updates and check ins, no question or task is too big or small and they have taken all the stress of selling our house out of our hands. Would recommend to anyone and everyone.
