Immerse yourself in an exceptional investment opportunity nestled within the prestigious confines of The Park Estate. Here lies a rare chance to honor the architectural legacy of this esteemed locale while infusing it with contemporary allure. Each phase of the refurbishment process holds the promise of enhancing both the aesthetic appeal and practical functionality of this residence. From restoring original features to reimagining spatial arrangements across its five floors, this sale presents a rare opportunity to create a beautiful, spacious and unique family home, as it is the last remaining property that has not been converted into apartments on this terrace. The ground floor welcomes with a porch and inner hall, four reception rooms, a kitchen with a pantry, wet room, separate washroom, and W/C, alongside access to a cellar divided into seven sections and steps leading to a second cellar. Ascending to the first floor reveals three double bedrooms serviced by a shower room and separate W/C, while the second floor hosts an extra-large double bedroom. Journeying to the third floor unveils two additional double bedrooms. Outside, a sheltered patio adorned with a variety of plants beckons at the front, complemented by access to the integral garage, while a private mature garden graces the rear, completing this exceptional investment opportunity.
