LOCATION

Ripon

Ripon is a thriving city in North Yorkshire noted for its medieval cathedral. The city has grown up around the market place, which has provided a focus for its townsfolk over the years. A short distance away is Studly Royal Park and Fountains Abbey which is a UNESCO World Heritage Site, situated on the fringes of the Yorkshire Dales National Park.

The City offers excellent amenities including restaurants, supermarkets, a race-course, and a cinema. Booths is a high-end supermarket unique to Northern England which champions local produce and suppliers, and conveniently is only a third of a mile walk away.

Ripon Grammar School was rated outstanding by Ofsted and has been a strong factor for families moving to the area for many years. The state secondary alternative is Outwood Academy Ripon, also deemed outstanding (2016). At

primary level, St Wilfrid's RC is rated outstanding (2017); Ripon Cathedral Church of England Primary School, below the cathedral, is good, as are Holy Trinity CofE and Moorside.

The Times included Ripon in its Best Places to Live in the UK 2020 describing it as a "...mini city, which has added an arthouse cinema to its roster of good schools and old-fashioned shops."

Despite its scenic surroundings, Ripon is conveniently located for the A1(M) (4.3 miles) and Harrogate is just 11 miles to the south. Thirsk train station (11 miles) has regular, direct services to London Kings Cross making the journey in about 2 hours 10 minutes, as well as to York, Manchester, and Leeds. Leeds Bradford Airport is 23 miles away.

THE HOUSE

The Gatehouse is a fabulous home to be finished to an exacting standard. Whilst benefitting from all the conveniences of a modern build, the owners have been keen to incorporate traditional architectural details creating an aesthetically pleasing house with well-planned accommodation.

The ground floor is impressive, offering a well-proportioned sitting room and generous kitchen/living room, both with bay windows and doors onto the garden. There are double doors connecting the two rooms, creating the kind of open plan space ideal for entertaining. In addition, there is a utility room connecting with the integral garage and a WC.

The development is privately located behind electric gates. The house itself is approached over a private parking area to the front door and integral garage. The garden wraps around the property and includes paved terracing and lawned areas.

The Gatehouse is the largest unit in the scheme, and the first to be launched, the others will follow in the coming months.

"This is an exemplary four bedroom house in what will be one of the finest private developments in Ripon. The developers are creating a top-quality community of beautifully designed homes."

THE DEVELOPMENT

The Old Lecture Building Development consists of eight "townhouse" conversions and five newbuild houses. Originally the existing building was Ripon Girls High School opened in 1909, which was eventually merged with Ripon Grammar in 1962. This is a heritage site of local importance and part of the Ripon Conservation Area.

Number 1 is the largest unit, and the first to be launched, the others will follow in the coming months. If you would like to register your interest in the development as a whole, please contact Hewetson and Johnson for further release dates.

The developer is a well-known, local operator specialising in small to mid-size developments in the area. They have a strong track record delivering quality homes across North Yorkshire.

It is anticipated completion of the project will be Spring 2024.
