LOCATION

Ripson

Ripon is a thriving city in North Yorkshire noted for its medieval cathedral. The city has grown up around the market place, which has provided a focus for its townsfolk over the years. A short distance away is Studly Royal Park and Fountains Abbey which is a UNESCO World Heritage Site, situated on the fringes of the Yorkshire Dales National Park.

The City offers excellent amenities including restaurants, supermarkets, a race-course, and a cinema. Booths is a high-end supermarket unique to Northern England which champions local produce and suppliers, and conveniently is only a third of a mile walk away.

Ripon Grammar School was rated outstanding by Ofsted and has been a strong factor for families moving to the area for many years. The state secondary alternative is Outwood Academy Ripon, also deemed outstanding (2016). At

primary level, St Wilfrid's RC is rated outstanding (2017); Ripon Cathedral Church of England Primary School, below the cathedral, is good, as are Holy Trinity CofE and Moorside.

The Times included Ripon in its Best Places to Live in the UK 2020 describing it as a "...mini city, which has added an arthouse cinema to its roster of good schools and old-fashioned shops."

Despite its scenic surroundings, Ripon is conveniently located for the A1(M) (4.3 miles) and Harrogate is just 11 miles to the south. Thirsk train station (11 miles) has regular, direct services to London Kings Cross making the journey in about 2 hours 10 minutes, as well as to York, Manchester, and Leeds. Leeds Bradford Airport is 23 miles away.

THE HOUSE

College House is one of a pair of semi detached houses to be finished to an exacting standard. Whilst benefiting from all the conveniences of a modern build, the owners have been keen to incorporate traditional architectural details creating an aesthetically pleasing house with well-planned accommodation.

The ground floor includes an entrance hall leading to the sitting room with an attractive bay window, and the kitchen/dining room which has doors onto the garden. There are double doors connecting the two rooms, creating a most appealing environment.

To the first floor there are 3 bedrooms, one en suite and a house bathroom.

The development is privately located behind electric gates. The house is approached over a short driveway leading to the garage and front door. There is a small front garden and delightful back garden, accessed from the kitchen and garage.

"This is a lovely home, one of a pair, in a select development near the city centre. The sitting room has a bay window which overlooks the front garden and opens into a generous kitchen dining room."
