### IN SUMMARY

NO CHAIN. Nestled away at the top of a PRIVATE DRIVE this DETACHED BUNGALOW sits in the heart of this popular community with all amenities and travel links within walking distance and boasting all GAS central heating and uPVC double glazed windows. Stepping beyond the OFF ROAD PARKING and GARAGE spaces, you will enter the property with WIDENED HALLWAYS for accessible living with an adapted shower room with this also in mind. The rest of the property extends to offer TWO DOUBLE BEDROOMS, generous sitting room and fitted kitchen. Externally, a WRAP AROUND GARDEN offers PRIVACY in every corner all fully enclosed for peace of mind.

### SETTING THE SCENE

Just off the street via a private driveway leading towards a small collection of properties where a long brick weave drive allows parking for multiple vehicles moving towards the brick garage with up and over door to the front. A gentle step up through the front archway leads you towards the front door with a covering above.

### THE GRAND TOUR

Stepping inside you are first met with the central hallway granting access to all living spaces within the accommodation with carpeted flooring underfoot and large storage cupboard built in. To your right as you enter is the fitted kitchen with all wooden effect flooring underfoot and an array of wall and base mounted storage set around wooden effect work surfaces giving way to an integrated gas hob with extraction above and oven whilst still leaving room for a washing machine and fridge. The sitting room sits adjacent to this space, a large open room with all carpeted flooring underfoot, large uPVC double glazed window to the front with radiator below, this room allows for a choice off layout due to its conventional size and open space. Further down the hallway, the adapted shower room can be found to your right with an all tiled surround. This space features a walk in shower with wall mounted radiator and frosted glass window into the rear garden. The larger of the bedroom sits opposite this to your left in the hallway, a generously sized double room with a front facing aspect and radiator below with all carpeted flooring whilst the second bedroom sits right at the end of the hallway with a dual aspect and French doors into the rear garden. The carpeted flooring currently gives way to a dining table and second seating area but would make a brilliant double bedroom if desired.

### THE GREAT OUTDOORS
