Tasburgh is situated approximately eight miles south of Norwich, and two miles north of Long Stratton. Forming the original part of Tasburgh with numerous period properties, Tasburgh offers Junior Schooling, Public House and regular bus services to Norwich, Long Stratton and Diss. Long Stratton offers a wealth of amenities, including further Schooling and High School, and various shops and eateries.

#### SETTING THE SCENE

Occupying a private and exclusive development of just four properties, a shared shingled driveway runs through the development, with the lawned frontage opposite included in the freehold, which has allowed the neighbours to individually create a tree lined frontage with hedging, adding to the privacy that the properties all enjoy. With a part clad exterior, the property offers a striking facade, with a private driveway to the side, where the double garage can be found, complete with a power supply to install an electric car charger.

## THE GRAND TOUR

With tiled flooring and under floor heating under foot, the front vestibule opens to the main hall entrance, with the hand crafted solid wood stairs rising in front of you, with a storage cupboard below. Doors lead off to all the ground floor rooms, starting with the carpeted study which enjoys views to the front. Adjacent is the W.C which has been designed with a contemporary white two piece suite with storage under the sink unit, tiled splash backs and flooring. The utility room is the perfect laundry room, also complete with a useful side access onto the driveway. With granite work surfaces and space for laundry appliances, there is ample cupboard space and a cupboard housing the heating system. The sitting room has been designed to create a spacious but cosy sitting room, centred on the wood burner which allows for a beautiful warm feeling during the winter months. In summer, the bi-folding doors can be open, allowing the outside patio to become part of the living space. The kitchen/dining room is also an extension of the living space, sized to allow for a busy kitchen area, dining and sitting. The L-shape layout is perfect for a large built-in kitchen area with granite work surfaces, an integrated dishwasher and wine cooler, along with space for a 'Range' style cooker. Tiled flooring with under floor heating runs under foot, with bi-folding doors opening to the patio - enjoying the field views. Upstairs, the galleried landing includes storage, with doors to the four bedrooms. Starting at the front, the double bedroom offers twin built-in wardrobes, and a three piece en suite complete with storage and a heated towel rail. The smallest of the double bedrooms sits to the side, with views to front, with the third bedroom to the rear, also with twin built-in double wardrobes. The main bedroom enjoys field views, and three built-in double wardrobes. The en suite includes a walk-in double shower, built-in storage and a heated towel rail. Lastly, the spacious family bathroom includes a shower over the bath and a wall mounted hand wash basin.

## THE GREAT OUTDOORS

The rear garden has been well designed to match the interior, allowing the twin sets of bi-folding doors to merge with the outside during the summer months. A patio area runs across the width of the property, with ample room for outside dining, whilst leading to the garage and gated frontage. A step leads to a further patio, main lawn, and the far patio to enjoy the last of the days sun. With field views to rear, the garden is enclosed with timber panelled fencing to both sides and a range of raised beds. The double garage includes twin electric up and over doors to front, power and lighting.
