James & James Estate Agents are delighted to bring to the market this deceptively spacious, well extended and greatly improved four bedroom detached family home in one of Worthing's most prestigious cul-de-sac locations.

The accommodation in brief comprises spacious entrance hall into open plan lounge/dining and luxury modern fitted kitchen with roof lanterns and being triple aspect providing lots of natural light. There are two ground floor double bedrooms with one boasting an en-suite shower room and an additional ground floor W.C.

To the first floor there is a master bedroom with an en-suite shower room, and another double bedroom which is serviced by the family bathroom.

Externally the front garden is laid to shingle for ease of maintenance with parking for several vehicles which in turn leads to a detached garage with power & light, whilst the rear garden is a particular feature of the property being predominantly laid to lawn with a profusion of tree and shrub lined borders with a good size summer house with power and light.

Other benefits include gas central heating and double glazing, and in our opinion internal viewing is considered essential to appreciate the overall size and condition of this beautiful family home.

Situated in Wiston Close, local shops are found nearby. Buses serve the area and the nearest mainline railway station is West Worthing giving access to most major towns and cities.

In accordance with the Estate Agency Act 1979 section 21 (Connected Person), we would like to advise any potential purchaser that the seller of this property is a director of and James Estate Agents LTD.
