James & James Estate Agents are delighted to bring to the market this superb conversion split over two floors.

In brief the accommodation comprises a spacious entrance hall with a 17'10 South facing lounge/diner opening into the 14'0 modern kitchen. There is a double bedroom to the ground floor and a luxury modern fitted bathroom. There are stairs to the first floor with an additional double bedroom.

The property has gas fired central heating and double glazing throughout. Additionally the property has a private South facing rear garden and off road parking for one vehicle.

In our opinion internal viewing is considered essential to appreciate the overall size and condition of this contemporary property.

Located in this popular and desirable location of Broadwater and walking distance of Worthing mainline railway station, the property is ideally situated for all amenities. Worthing town centre with it's more comprehensive shopping facilities is close by and buses serve the area.
